Hall of Fame Selection Criteria

To be inducted into the PHAA Hall of Fame is to be the most distinguished honour that can be awarded to an individual. The selection criteria and the nomination process must therefore reflect the prestige of the award. The criteria for induction into the Hall of Fame are:

People

1. Any person considered for induction into the Hall Of Fame should have aided, promoted and/or worked voluntarily for the Paint Horse Association of Australia; and for the promotion of the Paint Horses, for a period of not less than 15 years.
2. The Board of Directors of the Paint Horse Association of Australia can from time to time, when presented with sufficient verified evidence, allow for latitude in the induction of members into the Hall of Fame (unexpected death, accident etc).

Horses

Anyone can nominate a horse that they believe is deserving of Hall of Fame Status. Evidence both written and photographic from newspaper/magazine clippings etc, must accompany any nomination

1. The inductee into the PHAA – Horse Hall of Fame must have been outstanding for a period of years as a sire, dam, competitor or must have brought exceptional visibility to the PHAA.
2. The inductee must be registered in the Regular Registry or Paint Bred with the PHAA
3. Any foundation PHAA regular registered horse, who had an impact through their descendants are eligible for Hall of Fame status provided sufficient verified evidence is provided.
4. The inductee must be deceased.

Nomination Process

If you wish to nominate a qualified candidate all applications are to made on the official nomination form. Supporting information must be provided to the PHAA office.. The inclusion of personal letters of recommendation from others is helpful but they must be individual letters i.e. not copies of the same letters signed by different people.

The PHAA will research the latest information regarding breeder, owner and horse records for each horse nominee and may add to the material. Please keep in mind that horses selected for induction will usually have name recognition and are well known to the membership.

Review Process

Nominations are due 3 months prior to the AGM, to be considered by the Board of Directors (BOD) at a meeting prior to the Annual General Meeting (AGM). A limit of 2 members and 2 horses have been set for induction per year. Successful nominees will be announced at the AGM.

If selected for the Hall of Fame the individual, or if a horse, the owner of the nominated horse, along with the nominator, will be notified prior to the AGM. Nominees will automatically remain under consideration for three consecutive AGMs, if not selected.

In addition to the normal nomination process, there are two other means by which an individual can be placed on the Hall of Fame ballot.

1. A list of past individuals who were influential to the growth of the association will be drawn to ensure that older deserving individuals are not forgotten. The BOD will review the list each year and may select candidates to be placed on the ballot.
2. Each year a list of individuals will be developed from categories of accomplishment and will be reviewed for inclusion on the ballot. Examples of these categories are:
 - Notable National Champions and multi Honour Roll High Point recipients.
 - Leading sires and dams of PHAA champions
 - All-time leading point earners
