

RANCH HORSE CLASSES

GENERAL RULES

Ranch Riding (formerly Ranch Horse Pleasure)

The purpose of Ranch Riding should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuvers requirements, and the horse's quality of movement are the primary considerations.

Offered as an all age class for open, amateur and youth, and for horses three years of age or older.

CLASS REQUIREMENTS:

- Each horse will work individually, performing both required and optional manoeuvres, and scored on the basis of 0 to 100, with 70 denoting an average performance.
- The required maneuvers will include the walk, trot, and lope both directions; the extended trot and extended lope at least one direction; as well as stops, and back.
- Three optional maneuvers may include a side pass, turns of 360 or more, change of lead (simple or flying), walk, trot or lope over a pole(s); or some reasonable combination of maneuvers that would be reasonable for a ranch horse to perform.
- The maneuvers may be arranged in various combinations with final approval by the judge.
- The overall cadence and performance of the gaits should be as those described in Western Performance Gaits, with an emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.
- No time limit
- One of the suggested four patterns may be used, however a judge may utilize a different pattern as long as all required maneuvers and the three (or more) optional maneuvers are included.
