

We would like to welcome you to a unique and exciting way to promote your business!

The Paint Horse Association of Australia would like to invite your business to become part of an excellent promotional package that will have your business promoted throughout Australia and overseas, by way of sponsorship for our annual **Paint Horse Association of Australia National Championship Show**.

The 2020 show is shaping up to be an exciting event! It has grown significantly due to the increased interest in this prestigious horse breed along with the support shown to us from sponsors just like you who have helped fund it.

The event attracts competitors from Victoria, Queensland, NSW, Tasmania, South Australia and even Western Australia! It is judged by International Accredited Judges from the USA.

The attached pages describe the levels of sponsorship for your consideration, from simply sponsoring the ribbons for one class (\$80), through to our Corporate Major Sponsor with naming rights to the Championships (\$10,000).

If there is not a package that suits, we would be more than pleased to discuss any alternatives you may suggest to ensure this opportunity is mutually beneficial to your company and the PHAA.

Don't miss out on being a part of this brilliant concept and contributing to an ever-growing sport and membership that will promote your product.

We would love for you to come on board!

Kind Regards,

Paint Horse Association of Australia.

Paints... more than just colour
