The Paint Horse Journal

THE PAINT HORSE ASSOCIATION OF AUSTRALIA
• June-July 2007 •

It has been 12 months since Tracey McClurg became the Editor of our Paint Horse Journal and I would like to congratulate her on the quality of work she has produced. Over this time we have had plenty of positive feed back from our readers – so happy anniversary Tracey for a job well done.

ANNUAL GENERAL MEETING

Our Annual General Meeting was held on Monday April 2nd at the Expo Centre, Dubbo Showgrounds. A very well attended meeting with some healthy discussion arising at the Work Shop held afterwards. Issues relative to our "Constitution" were voted on during the AGM and we are now in a position to go ahead with a reprint of this document. By August 1st our new Show and Performance rules should be in place and the current rule book will have also been updated, taking in the Constitution and the Show and Performance rules. Minutes of both the AGM and the Workshop are available on the PHAA website or by request from the PHAA Office.

Of the issues discussed, the two that seemed to take priority were the National Weanling Futurity and the recognition of Paint Horses that excel in open company. The general consensus at the meeting was that the Weanling Futurity should return to a single event, rather than to be split into the three gender divisions, with incentives for Geldings. This year saw only a Colt and a Filly class as there were no weanling Geldings entered in the show. This is of course a decision for the Board to make and the Board did make a commitment to review the current futurity events.

IMPORTANT NOTICE...

PHAA Members wishing to compete in the 2008 PHAA National Weanling Futurity. Due to members responses from the PHAA Survey conducted and opinions expressed by PHAA members at the 2007 Annual General Meeting the PHAA Board Of Directors have decided to return to the original format of National Weanling Futurity. Colt, Filly and Geldings will be judged as a group in one PHAA National Weanling Futurity.

PHOTO CORRECTION...

The wrong photo was used in the April/May Journal on page 12 for the International Report. It was titled Farah Allcock and her horse Chic A Cherri. Apparently it is a photo of Youth Rider Casey Wray on her horse, Silverado's Miss Ellie Mae jumping. This was no fault of Paula Berg, the names were mixed up by the editor. We apologise if this has upset anyone.

A BIG THANK YOU...

As the editor of the Paint Horse Journal, I would like to send a big thank you to Lee Ann Hall - PHAA Office Manager. Over the past year I have enjoyed producing the Paint Horse magazine for all the members, a large part of it is due to the support and help I have had from Lee Ann in the Office. She has helped to contribute extensively with writing articles, sourcing information and guiding me in the right direction. You are a great asset to the association and I will miss all your help and support. I would like to wish you all the best for the future. Thanks again.

Story: LEE ANN HALL • PHOTOS BY: DON TROUT

It is with regret that I have terminated my employment with the Paint Horse Association of Australia Ltd. Most members will be aware of the passion I had for my job, for the Association and for the beautiful breed of horse - the Paint Horse.

Jeffrey & I have met some fantastic friends within the Paint Horse Association and have formed many friendships that we cherish and will do so for years to come. I have always given my all to the Association, both in and out of work and have been dedicated to the betterment of the breed and the forward progress of the Association. The growth and prosperity that has taken place during my term as Office Manager is testament to this and I take great pride in the work that I have done, the achievements of the Association and the developments that have taken place in recent years. I have been so lucky to have held a job that was so dear to me, I loved the job, the members and of course the Paint Horse, very few people can go through life and find a job that they thoroughly enjoy and eagerly become ingrained in. I have enjoyed my employment with the PHAA and I will sadly miss working with the members and staff of this wonderful Association.

I thank every one who has supported me through out my time working for the PHAA, especially the members who came forward in 2003 and showed their faith in the PHAA so strongly. It was the moral support of the members that gave the staff strength through that difficult period of time. There are too many members I want to thank to list, I am sure that I will see you at a show somewhere soon and I can thank you face to face.

I have enjoyed my employment with the PHAA and I will sadly miss working with the members and staff of this wonderful Association.

I have been a member of the Association for 15 years, several years before becoming an employee. Jeffrey & I have been dedicated to the Association for many years and are both life members of PHAA & APHA. Aside from the physical dedication, our 3 companies (Flat Chat Transport, Orana Gas & Appliances and Hallmark Farm) have been financial supporters of the Youth and of the National Show for several years. It has been our pleasure to do this. We have shown our

support in s e v e r a l ways, no

just injecting cash in sponsorship and advertising, but by allowing PHAA the use of our own company vehicles and staff to set up and pull down many National Shows, hosting and providing all food and beverages for the National Show BBQ nights, providing goods to be auctioned to raise funds for the Youth, donating equipment to the Association, and also establishing the Youth Development Fund in 2004 with a \$2500- commitment that was quickly met by our dear friend and associate Kevin Mills. Our dedication and loyalty to this great Association is deep and will continue.

I have had to make some tough calls in life, this is one of the hardest decisions I have had to make. It was a very emotional decision for me to make as I love my job so much and did not want to leave, though I feel that it is in the best interests of the Association, in particular to maintain harmony within the showing membership.

During the 2007 National Show it was obvious that a handful of showing members, and some directors, have an issue with staff and / or their spouses owning, breeding and showing Paint Horses. A "secret" unofficial meeting was held at the show with representatives from New South Wales, Queensland, Victoria & South Australia to discuss Jeffrey & myself. Further to this meeting an email letter was circulated among members of the State Clubs to coerce their individual memberships to write to the PHAA Board with their "list of concerns" about us. To quote from this letter "The fact is that Jeff & Lee Ann are being watched very closely, especially at the National Show..." I must wonder if this would be the case if we weren't winning. I am unable to enjoy the breed I love so much whilst ever there is this kind of discontent and I am not prepared to forgo our beautiful horses.

When we first showed a Paint Horse for a friend several years ago some members and directors complained, again when we imported 2 horses we heard grumbles and at the 2006 and 2007 National Shows there have been more. These accusations are of course unfounded and untrue and I am happy to answer questions from any member. There is a

complaint that "members are bombarded with advertising from Hallmark Farm in prime front and back slots in the Paint Horse Journal, promoting their own Stud horses, mares and foals" – the fact is, any member or commercial enterprise can advertise in our Paint Horse Journal. We had to wait, as any other member would, until the back page became available and we pay the same price as any other member who chooses to advertise would. Half of all advertising revenue goes back to the Association. I can not tell you how much it hurts when people throw so much mud. The problem will not go away whilst ever I am an employee of the PHAA, there is no remedy, therefore I have no choice but to leave my job.

I hope to be able to keep in contact with you via articles in the Paint Horse Journal and by seeing you at Horse Shows. As I am a Director for the American Paint Horse Association I will keep PHAA members informed of happenings within the APHA and programs that are available for Australian APHA members. I can look forward to sharing stories with you and watching my fellow Paint Horse competitors excel with their horses in open company. I may even find time now at shows to spend socialising with you, this Association has hundreds of lovely members and I look forward to being able to share some time together.

It truly breaks my heart to leave the Association I love so much, however I believe that my decision is in the best interests of the PHAA.

Lee Ann Hall

The Overall winner last year of the weanling futurities took home less prize money than the winner of the filly class & the gelding even less

The decision to change the weanling futurity into sexes was based on a survey that only a small percentage of members returned No time was saved, it actually took longer to judge, calculate, award ribbons and photograph 4 winners.

A HUGE PLUS FOR GELDINGS

Gelding Plus

If you were at the 2007 National Show you may have heard about the exciting APHA Gelding Plus program - with \$3,000US - on offer. This was the first year this program has been available to competitors at our National Show, with APHA President Richard Cox making the trip over to present the 2 lucky winners.

APHA's Director Of Registrations, Cindy Grier was on hand to answer questions from our members and to process new registrations and memberships. Cindy is no newcomer to our National Show and is always ready to happily answer your

Gelding Plus is another step made by APHA that will encourage participation in APHA programs and the dual registration of PHAA registered horses into the APHA International Appendix Registry.

The Gelding Plus program promotes aged Paint geldings 4 years of age and older worldwide by paying out \$42,000 at APHA approved events in 2007. With

automatic enrolment for every APHA gelding who is officially registered as a gelding prior to competition, \$3,000 was for grabs at this years PHAA National Show. Awarded to the most outstanding gelding, through

Lee Ann Hall - International Report

APHA's performance show high-point calculation system, this program provides the owners of these horses an opportunity to compete for bonus monetary incentives. Two division were available - \$2500 - for the highest point earning Regular Registered Gelding and \$500- to highest point earning Paint Bred Gelding at this years show.

Your gelding may be eligible for this award next year. Geldings that are registered in the International Appendix Registry are eligible on the same basis as those "fully" APHA registered. The registered owner(s) of the horse must be a current member of APHA, in good standing. In order to benefit a great number of APHA geldings the incentive money will be awarded to the same gelding only once in a three year period.

Winner of the Paint Bred section - Royal Heart Throb (affectionately known as Drover) is no new comer to the awards presentations at the National Show, having won High Point Paint Bred several times. When asked about the GELDING PLUS program Jill said "I heard about the gelding plus via the flyer sent to members and decided to try for it - I e-mailed and rang

APHA to ensure that I could be able to compete at Nationals and even had American dollars ready to pay Cindy Grier when she arrived at our National Show from APHA."

In order to be eligible, geldings must compete in at least 3 of the following qualifying events – Barrels, Team Penning, Reining, Western Riding, Trail, Hunter Hack, Cutting, Hunter Under Saddle, Western Pleasure, Working Cow Horse and Showmanship at Halter. The events can be Open, Amateur, Youth or a combination. Jill and Drover competed in all classes that were available for Paint Bred horses, except reining.

"Drover" is the current National High Point Paint Bred, has been high point for last 2 seasons, has now won 3 High Point National buckles. Last season Jill and Drover won NSW High Point Paint Bred and Amateur Performance Paint Bred and Traditional English.

Jill bought Drover from Peter Simpson, a familiar face to competitors at our National Show – being the Show Manager for the last 2 years. Drover was 3 years when Peter sold him to Jill, he has never been to any trainer except a local "breaker" and is now 9 years of age.

The receipient of the big \$2500 cheque for the Regular Registry division was Bridget Connelly and Blaze Of Thunder – another very well performed Paint Gelding and regular competitors at our National Show.

Bridget was a very happy recipient of the award and tells us about her thoughts on APHA Gelding Plus – "I first heard about the Gelding Plus Award at the 2007 National Show when Lee Ann Hall approached me and asked if I had got Nugget (Blaze Of Thunder" APHA registered yet and if I hadn't then I could do it at the show because there was this opportunity to win \$2500US. After talking with LeeAnn and reading up on the program I decided to go ahead with it. Cindy from the APHA was a great help with the APHA paperwork and the registration was done."

Bridget and Nugget competed in the eligible events of Western Pleasure, Western Horsemanship and Trail, in both Open (Senior horse) and Amateur divisions. Bridget and Nugget notched up National Championships in Senior Western Horsemanship, Senior Western Pleasure and Amateur Owner Trail, placing in the other 3 qualifying events as well.

Bridget commented "I think the award is a wonderful incentive to get your geldings out there and promote them. I will definitely be aiming for this award next year if I am eligible. Now that I have become a member of the APHA and have got Nugget registered I will definitely be sending in all eligible points for their awards programs as the other horse I ride I Am Just Charming is also APHA registered."

Nugget is a 10 year old palomino sabino gelding by the Quarter Horse sire Transquestionare out of Flying Dollar Rojo Finale. Nugget has a quirky personality and a mind of his own, but he will do anything for you as long as you ask him the right way and not demand it from him. Nugget has achieved many honour roll and high point awards at a National, State and Local level during the time that Bridget has had him. The most memorable for Bridget are Overall High Point Amateur of Australia, overall High Point Senior Horse of Australia and overall High Point Performance Horse of Australia along with this win with the APHA Gelding Plus Program.

I asked Bridget to tell me a little bit about her wonderful gelding - "Nugget & I have come a long way since getting together. When I first got him he needed a lot of re-education and TLC but with his natural presence and strength in movement I knew he had what it would take to be a competitive show horse. I have been showing Nugget for the 7 years that I have had him. It is a very laid back showing program with the Nationals at Dubbo a highlight of each year. Everything about Nugget is special to me. How he gives me 120% every time I show him no matter how he is feeling. He is an easy horse to have around, very little riding, just enough to keep him fit as I work full time. He is special to me how he is an individual, has a cheeky side and how he pretends to be aloof when he is really loving the attention he might be getting. I just love everything about him!!!! I would like to thank the APHA for having the award and Lee Ann Hall for pushing me into getting him registered and going for the award."

You too could be in the running for APHA Gelding Plus awards, if you would like to know more you can contact APHA on

PRESIDENTS REPORT - by Craig Dengate

First of all I would like to thank our PHAA members for taking an interest and attending the 2007 Annual General Meeting. The majority of the proposed resolutions consisted of tidying up of our Constitution and coming into line with Corporate Law.

I believe now that the Paint Horse Association Of Australia is now in its best position to date with compliance to Corporate Law, this is probably one of the most important tasks that I have been involved in since I have been with the PHAA Board. With the Paint Horse Association being a not for profit organisation, it is so important for the management of the Association to continue to comply with Corporation Law and to reduce the risk for the Association to be involved in any potential litigation.

Two resolutions were proposed by a PHAA member. and after consideration were withdrawn by the member with the PHAA Board being aware of the members intent to reward resolution and to be put forward at our next PHAA Board meeting. A recommendation to PHAA members in future, when considering proposing resolutions that may affect By-Laws, Policy or Articles Of Association that they seek advice to the wording and where possible to be aware of any implications that the proposed resolution may cause. I welcome and encourage members who see a need to propose a resolution for the betterment of the Paint Horse Association Of Australia.

Also, at the 2007 AGM, Directors positions were filled, prenominated Directors who stood unopposed were announced and nominations were called from the floor to fill the remaining positions. At this point in time we receive quite a bit of interest with nominations exceeding the number of Directors vacant positions remaining. A ballot had to be

conducted with a final result, the 2007 members of the Paint Horse Association Of Australia Board Of Directors are myself, Jeffrey Hall, Kevin Mills, Lee Wear, Angela Newton, Sally McPhee, Alison Lord and Linda Slee. I congratulate these people who have made a commitment to the PHAA and I look forward to see these people taking the PHAA into the future and making a difference.

On consideration of the financial statements presented at the AGM I am pleased to report, The Paint Horse Association Of Australia financial performance for the period from July 2006 through to December 31st 2006, that the PHAA has achieved a healthy profit for this period and continues to go forward.

You will realise the period reported on is only a six month period, the Association has undertaken to change their financial year of July 1st through to June 30 to January 1st through to December 31st. This was done in order to comply with ASIC regulations for filing our financial statements submitted at our Annual General Meetings which are now held in conjunction with the PHAA National Show in the correct time.

Realising a profit of \$51,507 whilst retaining a percentage of funds from membership subscriptions to be included in next years financial income, also held are funds for the PHAA Building Fund. Reported figures in the majority of cases are proportionately equivalent to our last financial year although in a few instances we are recording a loss for

this period, but this directly relates to the nature of how business is conducted in these accounts through a normal year. Amateur and Youth accounts are both showing a loss for this financial period, but the majority of fund raising for these accounts are generally conducted from February to August in each year. Youth trip account shows a loss of \$7768.28 this figure has not taken into account the income raised from the Youth Incentive Sires Classic Stallion Service Sale which realised funds of \$7272.00 with these funds taken into account brings back the youth account to a realistic figure. Postage is proportionately up but we need to take into account consideration mail outs conducted within this period for 2006 AGM and the current AGM. National Show account is showing a loss of \$1605.53 but naturally no income had been received from the National Show within this period.

DARE TO BE DIFFERENT

Across Australia there are thousands of clubs and associations established for the enjoyment of their members. The biggest asset in these clubs are the members who often contribute enormous amount of time, effort and money for the love of their club or association. Whether it is cats, dogs, or horses and wherever you go there is often a minority element of members who have trouble expressing themselves in a positive way or rather choose to find fault in their fellow

© From the Board ©

member, because of the time it is often easier rather than sourcing the truth. I'm sure you are all aware of this element that can sometimes exist, this element can often create a poison that creeps in with underlying mumblings that often do great damage to the integrity of the club or association.

I dare you to be different, stand up and

be counted for the betterment of your club or association, seek the truth and approach your concerns in a positive way and to those people who have the ability to deal with your concerns in the way they need to be addressed.

I became involved with the Paint Horse Association Of Australia for the love of the Paint Horse and the people, I'm sure you would rather see your association without this element. We dare to be different with the colour of our horses so why not try it with our association

Make this year a good one!

DIRECTORS REPORT - by Lee Wear

Well its time for part two of our road trip this year, and part two took us to the Victorian State Show.

~ Part Two / Victoria ~

So after a great time was had by everyone in South Australia we headed across the border to Victoria, although I did get a chance to chat with one of South Australia's finest about the garland on my dash board, yes I know very pony club but in my defence we had so much stuff in our car I was running out of room to stuff things. With the show starting the following weekend we decided to stop by and visit a good friend of ours Raelene Gilboy in Castlemain and get in some training before heading to the Victorian State Show. Raelene had broken in Murph and was keen to see how we were travelling. We had a fun week and discovered some great new exercises to help us with our horses, it was also surprising to discover that Kenny could do flying change really well. We had a great time catching up with our Appy friends and the week flew by, before we knew it, it was time to head off to Werribee for the Multi judge show.

We showed up to see that there was a heap of NSW members who had made the trip, including amateurs, youth and trainers, this seems to be a growing trend each year which just proves it is a popular State Show to attend.

The multi judge show proved to be a great day with lots of competitors,

which made the day stretch out quite late. I'm sure Murph was not the only horse wondering why he was still in classes hours after he had dinner but it was well worth the long day.

The State Show got under way on time and looked to be moving well, it was a big program so we knew it was going to be another big day. Highlight of the day for me would have to have been the reining and the sporting events as Raelene had come to ride for us and I was excited to see how Kenny would go. Kenny and Raelene had a great run

 Our Victorian Show Team - myself on Nothing Too Serious, Raelene Gilboy on Hillybillyexpress, Linda Chislett and Mel Hogan.

in the reining and snatched a victory away with a small crowd on hand to cheer them along. In the sporting Raelene went head to head with Sarah

Bourke on Highly Jazzed and was on fire winning both events with her gutsy rides. I do believe that Kenny loves these events the most as well. Trail was interesting with 33 poles - sounds scary but you only had to lope over 21 poles......yes two year olds all the way through to open classes. Sorted out

through to open classes. Sorted out the placing's really well. Both Kenny and Murph had a good show but we were all happy to unsaddle for the last time and put the boys to bed.

Our trip home saw us have our first fast food stop which is a new record for us when we're on the road....who would have thought we'd be away a week before stopping at a golden arch. All in all the Victorian State Show was a good show, well worth the trip, so give it a try if you can next year.

PS: hope everyone enjoyed the National show and travelled safe on the way home.

AMATEUR OWNER REPORT - by Lee Wear

If you haven't already heard I've taken over the Amateur Owner portfolio and I'm keen to hear from anyone with ideas of what we want to do this year. Being that it's been a very busy time I'll give you a run down of what's in the pipeline to date but please keep in mind that I'm happy to hear any suggestions if you have them.

I'm also looking for help from amateurs out there that want to get more involved, it would be great to get some help in the way of Regional Liaison Officers, we have tried this in the past so I'd like to try it again. So far I've had interest from Queensland and South Australia but would be more than happy to hear from anyone else interested so if this sounds like something you could help with please give me a call or email me, the more help the lighter the load and the more we can achieve together. Anyway here's the rundown of what is happening:

• Amateur world show trip - has been postponed to next year as we had depleting numbers on who was attending. We have decided to back it onto the youth trip next year to make sure we can get the group discounts so if you're interested start saving now. It will be a great chance to see the World Show, do some great shopping and

support our Youth Team. The sooner we get interested the sooner we can book and the cheaper the fares will be.

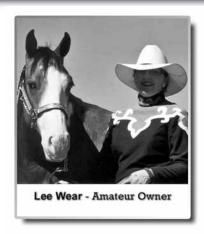

• Amateur Owner HSAA proposed rule change – HSAA have again postponed changing the Amateur Owner rule about Amateur's showing horses not owned by the Amateur. The HSAA Rule change is not coming into effect on August 1st as had been

notified in a previous PHJ. At the last HSAA Meeting it was voted to defer the rule. As it stands the PHAA have their own Amateur Owner rule, AAA presently run under the HSAA rule and AQHA have their own Amateur Owner Rule.

This means at AQHA approved shows PHAA members should abide by the AQHA Amateur Rule and therefore cannot show horses other than their own at those shows. When in Rome do as the Romans do but the AQHA Amateur Owner rule does not effect the status of a PHAA Amateur Owner.

- Amateur Clinic if you're interested in getting a clinic in your area let me know and I'll see how I can help to make it happen. We are holding one in Western Sydney June/July with Tim French and Therese Searle and will cover a broad range of events so if you're interested please contact me on 0418 203 167 or email lee.wear@camden.nsw.gov.au .
- Amateur Camp being held before the Grafton Paint O Rama on Thursday the 7th and Friday the 8th of June at the Hawthorne Equestrian Park, South Grafton. We are hoping to get a few more along to the Amateur Camp this year and we're keeping our fingers crossed for good weather. The Camp will cover all the basics but is also happy to focus on any areas you might be interested in. If you're attending and would like something focussed on then please let me

know and I'll see what we can arrange.

It would be great to know numbers of how many will be attending so please drop me an email or give myself or the office a quick call so we know to expect you. A small attendance fee will be charged to cover meals, stabling and camping but it will be money well spent.

• Foal Raffle – our foal raffle is moving a little slow so if you haven't already got some tickets let me know and I'll send you some out for you to sell or just buy. The raffle will be drawn at the QLD State show so be quick. I'd like to thank RU Paints and Quarter Horses once again for their donation of the paint filly "RU Chase N Dreams" and JM & LR Wilson of Tansey QLD for donating hay for both the mare and foal. This is our updated picture of Chase who is going to be quite the head turner.

© From the Board ©

AMATEUR OWNER REPORT - by Lee Wear - continued

• News Flash – we have had a donation of next years foal from Daren Manteit already, he has 25 mares in foal and is happy to support the Amateurs by donating one of his foals by his stallion Hillybilly Bonfire so I'd like to take this opportunity to thank him and we all

await the birth with excitement.

Well that's everything I have at this point, I look forward to hearing from anyone interested in anything I've printed just so I know someone's reading my stuff....lol

Until I next catch up with you all, have a great time with your paint horses and good luck if you are attending the NSW State Show.

VICE PRESIDENT/REGIONAL CLUB REPORT - by Alison Lord

It was very pleasing to see so many attend the AGM in Dubbo before the National Show, and to see such a wide discussion over the notices of motion.

I did not make the decision to re-stand for the Board of Directors lightly, and decided to re-stand for a number of reasons. When it appeared that no-one in my home state of Queensland was prepared to stand, as well as all the other states with the exception of New South Wales, and I had been approached by several members, I decided that it was the least I could do. I was disappointed that there were so few people prepared, initially, to seek a position on the Board. After all the Board can only function effectively if there is a wide cross section of board members who are prepared to listen to members. Obviously there were others who thought along the same

lines and six people put their hands up at the AGM of which four of us were duly elected. Thank you to those who put their trust in me.

On that note I would really like to encourage members to consider standing for the Board at the next AGM. This might well involve an election, but surely that is a good thing?

After all this would give the membership as a whole the opportunity to vote for the person or persons they believe will best represent them and give an elected Board a true mandate. Continuity is important and so is a fresh approach.

As you are all aware, if a board member is elected, through a of members, they hold the position for two years and are on the Board because members have voted for them and believe they will truly represent them. Anyone who appointed to the Board either unopposed or from the floor only holds the position for one year and therefore is really only there because they are prepared to put their hand up and do some work for the Association not necessarily because they have been elected. There are seven positions available on the Board and if there are seven or more people who are prepared to put their hand up, face an election if necessary, then the workload can be distributed fairly and it does not become onerous. Yes it is a challenge, and dare I say a little bit scary to begin with, but it is also very rewarding.

So please, think carefully between now and the next AGM and if you think you can spare some time and effort to help the Association continue to prosper, put your hand up.

I have had people say to me, particularly in the six months I was away from the Board, that they are hesitant to put their criticisms and concerns through the office. If this is the situation, an alternative would be to contact any director or directors directly. Our contacts are in the journal and on the website and we can only act on concerns if we are made aware of them.

My portfolios for the coming year are Regional Clubs and also Points and Awards. I welcome any input from members in regard to these two areas.

Finally, as you might all be aware by now, the Association has lost a great champion of the Association and the Paint Horse in particular in our Office Manager Lee Ann Hall. Lee Ann's knowledge of the workings of the Association and the office in particular and of course her incredible work as a Youth Team Manager at the World Show will be missed. I for one won't forget all the help Lee Ann gave me, particularly when I was a new director and felt somewhat overwhelmed at the task I was taking on.

Alison Lord Vice President/Regional Club

Invitations are extended to all persons wishing to nominate a PHAA member or Regular Registered horse for the 2008 Hall of Fame award ceremony. Nominations close August 1st 2007.

To be inducted into the PHAA Hall of Fame is to be the most distinguished honour that can be awarded to an individual. The selection criteria and the nomination process must therefore reflect the prestige of the award. The proposed format is as follows and will be ratified at the May Board of Directors meeting. Nomination forms and the final criteria will be available on the website and on request from the office.

SELECTION CRITERIA

The criteria for induction into the Hall of Fame are:

• PEOPLE

- Any person considered for induction into the Hall Of Fame should have aided, promoted and/or worked voluntarily for the Paint Horse Association of Australia; and for the promotion of the Paint Horses at promotional stands, State of National Shows; for a period of not less than 15 years.
- The first one-hundred (100) members should be given a Hall of Fame charter member certificate, in recognition of being founder members of the Paint Horse Association of Australia. This does not entitle the holders of aforementioned certificates to Hall Of Fame status unless he/she/they have met all the other criteria set.
- The Board of Directors of the Paint Horse Association of Australia can from time to time, when presented with sufficient verified evidence, allow for lassitude in the induction of members into the Hall of Fame (unexpected death, accident etc).

HORSES

Anyone can nominate a horse that they believe is deserving of Hall of Fame Status. Evidence both written and photographic from newspaper/magazine clippings etc, must accompany any nomination

- The inductee into the PHAA Horse Hall of Fame must have been outstanding for a period of years as a sire, dam, competitor or must have brought exceptional visibility to the PHAA.
- The inductee must be registered in the Regular Registry with the PHAA.
- Any foundation Paint Horse Association of Australia regular registered horse, who had an impact through their descendents are eligible for Hall of Fame status provided sufficient verified evidence is provided.
- 4. The inductee must be deceased.

NOMINATION PROCESS

If you wish to nominate a qualified candidate all applications are to made on the official nomination form. Supporting information must be provided on standard A4 paper. The inclusion of personal letters of recommendation from others is helpful but they must be individual letters i.e. not copies of the same letters signed by different people.

The PHAA will research the latest information regarding breeder, owner and horse records for each horse nominee and may add to the material. Please keep in mind that horses selected for induction will usually have name recognition and are well known to the membership.

• REVIEW PROCESS

Nominations are due each year by August 1st, to be considered by the Board of Directors (BOD) at a meeting prior to the Annual General Meeting (AGM) held during the National Show Week. Successful nominees will be announced at the AGM.

Nominees will automatically remain under consideration for three consecutive AGMs, if not selected.

If selected for the Hall of Fame the individual, or if a horse, the owner of the nominated horse, along with the nominator, will be notified prior to the AGM.

In addition to the normal nomination process, there are two other means by which an individual can be placed on the Hall of Fame ballot.

- A list of past individuals who were influential to the growth of the association will be drawn to ensure that older deserving individuals are not forgotten. The BOD will review the list each year and may select candidates to be placed on the ballot.
- 2. Each year a list of individuals will be developed from categories of accomplishment and will be reviewed for inclusion on the ballot. Examples of these categories are:
 - Notable National Champions and multi Honour Roll High Point recipients.
 - Leading sires and dams of PHAA champions
 - All-time leading point earners

What do loads of buckles, doof, doof music until the wee hours, judges locked out of hotels, fun, more late nights and futurities all have in common?

It all happened at the Victorian State Championship Show weekend! The night before the show began when we finally hit the sack at about 1am in the morning, but there was some outrageously loud music coming from what we thought was the Hall/Dengate camp. Wow, those people from NSW really know how to party, I'm thinking to myself but managed to drift off to sleep eventually.

The phone rang in the very early hours of the morning. It was then I realised that the doof, doof music wasn't coming from those north of the border after all – it was the party to end all parties across the road. We later heard you could hear the music from a hotel a mile away on the other side of the freeway! So after a well rested evening the show began.

There is no doubt that paint people love their halter and that was endorsed by the halter classes running into the afternoon.

Congratulations to the following competitors on their wins in the halter.

It was not so long ago that there were very few riders and hardly any youth exhibiting at the State Show, so we were thrilled to see the competitiveness amongst the youth and the ridden program expanding considerably with all the riders - well into the night! Next year, because of Easter moving to March, we are able to secure the second arena at Werribee and have a lovely interstate judge who has agreed to sponsor judging the trail in the other arena in the afternoon so hopefully that help things move along much quicker.

Thanks to those who came all the way from NSW to participate in the show and to the Victorians who showed and supported the Club. Special thanks to Sue Carra, our Show Manager and Don Cossor the Announcer - you made things run so smoothly and kept us laughing. To all who helped, from those interstaters who put up your hands, the gate marshals and the stewards - thank you so much.

Plans are already underway for next year's show so please hold the dates of April 19th for the multi judge show (including the SSA and Open futurities) and April 20th for the Victorian State Championships. We will once again have an International Judge and loads of buckles and prize money on offer and hope to see you there.

Don't forget our Stallion Service Auction. This is the major fund raising event that ensures we can run a great State Show so be sure and keep checking.

PHOTO: Clay of Cowboy Bronze. PHOTO BY: VAUGHN WILSON

I approached Clay of Cowboy Bronze at APHA World Show in 2005 to create an award suitable for the Paint Horse Association of Australia, a model for the use of the Association for awards and trophies. In late 2005 Clay had sculpted a model that exceeded what the

Association was looking for, with each piece individually hand painted with incredibly

lifelike coat patterns.

About 6 years ago Clay saw the need for a complete line of equine awards that were also politically correct and reasonably priced.
Clay said "When we started
Cowboy Bronze Awards it took us almost 3 years to just put the first sculptures in place & we are today still developing our line.
For I have always believed our showers deserve the best that we can produce" Clay has been in the Horse business all of his life in one form or another, The Cowboy Bronze line is six years old.

I asked Clay where his drive and inspiration comes from and his reply to the question "First God, has given me the talent that I feel, I need to share this with you or I would be letting him down. My mother, she was an artist and taught me to be creative and to just do it. I also give credit to the people I sell to for they deserve the best that I can

do, this drives me forward from project to project. And finally to Betty, she is my

shadow and sunshine. Betty is also an accomplished sculptor. We work together on different projects I

believe art is within everybody and with my nagging Betty has proven this. Betty & I are a couple and have been so forever, Betty is my childhood sweetheart."

Cowboy Bronze Awards are certainly in demand, they ship every where within the United States, along with Brazil, Argentina, Italy, Germany, Canada and now of course to Australia.

Clay & Betty live in the Missouri Ozarks, the Rusty Spur Ranch is located in a large

valley with spring fed creeks with their closest neighbour being about a mile away and the next neighbour three miles. It is no wonder they are able to create such beautiful artwork, the beauty, peace & quiet can and would inspire anyone.

Cowboy Bronze create custom pieces, individually crafted and painted to match your own horse, modelled from a series of photographs of your favourite horse. The custom pieces are good sellers & are becoming more so. Clay enjoys seeing these horse's coming to life and spends a lot of time with them to try and make these horses look just like their photos.

Clay says "The majority of our work by choice is in the awards line for this is what Cowboy Bronze is about. Bringing the art world to the shower in the form of affordable awards. However I have sculpted many one of a kind sculptures for private customers, But you must have a hole in your heart and a tear in your eye before I will do one for you. We also have a limited edition line called the "Cowboy Bronze Collection" usually only 35 pieces. I also sign all full body award sculptures for our showers to enjoy, look on the bottom of your Australian customs".

When asked if he has a favourite piece Clay responded "I would have to say the newest one is special for I am still teaching myself and pushing my limits forward. Betty's sculptures are also special to me, art is within us all. The last one that I finished is a large horse bust head that focuses on the eye with great detail on one side, but with an abstract side of the head on the other side. It is called "The eye of the Beholder" a limited Edition. And I have just finished some wildlife sculptures this was fun I had to prove to myself that I could sculpt something besides a horse".

Being a horseman and having a back yard is full of "these hay burners" (as Clay puts it) allows Cowboy Bronze to use live models and photos which Clay works from using maybe only the ears of one and the eyes of another to sculpt what he thinks is the correct horse. When he first started out Clays says he had to go to the barn as he thought that there was no way that an ear could set on a horse the way it does..... but it did!

Betty & Clay have many hobbies and are very active. They show Paints lightly now, but heavy enough 6 years ago to be very competitive. They still have some horses on the APHA all time Honour Roll. Horses have been a part of their lives forever and will always be so.

Bobbi Gant, Clay's niece, and her daughter Taylor "Tatter" are close to Cowboy Bronze. Bobbi works for them now and Clay and Betty are hoping they will be the next two generations of Cowboy Bronze. The Cowboy Bronze family, the showers that order, win, & collect the Cowboy Bronze sculptures all mean a lot to Clay & Betty.

When asked about his family life "My Father was a cowboy. He worked on ranches in Colorado, most of his youth was spent ranching, he taught me so many things about horses. My mother also taught me to love those horses and to be kind to them. They never pushed me, but guided me through the horse world and life, and taught me to look from within myself. To look forward, and only look

COWBOY BRONZE

back to remember where you came from. I was raised in the Ozarks and have been riding horses for as long as I can remember. Showing, Training, Farrier, Horse breaker, Cattle ranches and now back to ART."

"Art is for everyone that is our goal any cowboy can afford us - its in our name "Cowboy Bronze." I would like to thank our many customers, I promise to try even harder to give you what you deserve the best sculpture that I can produce. The journey begins with the first step we are on the second step with many more steps to take."

Aim your sights at a Cowboy Bronze Award, National Futurity winners and all Grand Champions are awarded one of Cowboy Bronzes individually hand painted bronzes. Clays artwork also featured on the cover of our 2007 National Show program. •

PHAA YOUTH REPORT - LEE WEAR

Youth...

I hope everyone really enjoyed the Nationals and we hope everyone got home safely. It was another great show with a chance to catch up with all those interstate buddies you only see at major shows so I hope you all caught up.

If you haven't already heard I'm the new Youth Portfolio holder but wait there's more I come fully equipped with a trusty side-kick Kristy Trigg or Trigger as you may know her. Now that she has crossed over to the Amateur side she has kindly offered (with only a minimal amount of begging from me) to help out with my Youth Portfolio so I hope together we can make great things happen and continue the

high standard that Craig has set. Hoping to get a Youth news letter out very soon so I won't use up all my gear here just wanted to make sure you all are on track with what's coming up.

Lee Wear ... your new ring leader
