PAINTHORSE

#### THE PAINT HORSE ASSOCIATION OF AUSTRALIA Office Report by Angela Newton - OCTOBER/NOVEMBER 2008

I am pleased to announce the appointment of our new Office Manager, Mr Ron Tidyman. Ron joined us during the frantic preparations for the National Show. He brings 25 years of management experience and a strong customer focus to the Association. Please welcome Ron when you have a chance to talk to him on the phone or if you call into the office.

To help assist with the backlog of paperwork and improve our financial reporting we have employed a qualified Accountant Debbie Wright. Debbie has made some huge inroads into the receipting workload and we estimate it will be 4-6 weeks and the backlog will be under control.

Kim Hocking has also been employed on a part-time basis to bring the Points System up to date. She has sorted all the points that have been received in the office to date and scored those accumulated up till March. She will be entering them in the database on a month by month basis so you should see them filtering through shortly. Just a reminder that the points earned at the National Show will be entered as at 31 July 2008 otherwise they would automatically roll over to the 2008/2009 show year. This will apply to any show such as the NPHA which was rescheduled due to EI.

Good luck to all competitors competing at the NCHA Futurity, NRHA Nationals and the NPHA. Remember there are incentives for registered horses competing at these events. There are buckles for the highest placed paint horses at the NCHA futurity, NRHA Nationals and the 2 year old Western Pleasure futurity at the NPHA.

# Futurity Report:

#### By Sally McPhee - Futurities Director

A complete list of all horses nominated for the 2009 Futurities has been posted on the website on the Events/Futurities page. Please check this out to make sure we have the correct information recorded. Progress payment forms have been sent out to all members who nominated horses however they are also available to download from the website.

The next progress payment is due on 31st October. Late entry is permitted (except for weanling) but you will pay double fees for all overdue payments.

The 2008 Futurities were a great success even though run at the end of Winter. We will have a full report of payouts in the next issue. 2008 winners and placegetters can be found in our National Show Report.

# ANTED. WANTED.

Please contact Amanda Sproules on either hcstud@gmail.com or 07 5423 2346 with any old photos of Paint Horses or Paint Horse members

With the 30 year Anniversary of the National Show in Dubbo coming up next year, I am looking for anyone with stories and photos so that we can start articles on the great horses of past years so that they are not forgotten.

Also this will let the newer members of our association know about our great history of some of the founding horses and members.

With EI behind us it was great to see we had more horse than the previous year. A big thanks goes out to all the workers that made it all possible, with Don and his Team looking after the pen and Carol and her Team looking after the office and merchandising tent we had a pretty smooth run. We have taken on board the feedback we received at the show and will be meeting with Dubbo Council to raise

# by Lee Wear...

well what a great National's I trust everyone had a good time, ít was fabulous to see so many new faces along with all the regular ones.

some concerns but all in all it was a pretty good show. Now we will start

planning for the next Nationals.....no rest as they say!! I'd like to formally welcome Ron

Tidyman to our Association, Ron is our new Office Manager and is settling in well. Ron brings a wealth of experience and skills which are already paying dividends for us. You might also have heard another new voice if you've called in, that would be Tammy Anforth who is our other new team member. Tammy is also making her mark within the team. As always Amy is still with us putting in the hard yards to get us back on track after the Nationals. Another big thank you goes

out to the Office Team who have been working very hard to get up to date and while it has been quite a challenging time they are making great head way so we hope to have caught up with the backload of work in the very near future and I thank everyone for their patients.

I'd personally like to thank everyone for their support, I wasn't expecting to be in this position but the task has been made a lot easier for me by the huge amount of support I have received. I look forward to seeing the Association continue to move forward and grow in the coming months.

Congratulations to Carmel Shearer of Victoria, winner of the 2008 Amateur Owner Foal Raffle. We understand that Carmel has been ill in hospital and the news that she was the winner was a welcome surprise. As Carmel was not at the show, Kyle and Kristy Mobberly kindly transported the filly down to Victoria for her. Thanks also to Kingston Park Stud and the Manteit family for donating the filly.

Congratulations on the New Arrival...

Congratulations to our wonderful Paint Horse Journal editor, Tracey McClurg on the birth of her daughter, Bailee Kate on 30th July 2008 weighing 3.470kg. Tracey is certainly made of stern stuff, she produced the last edition of the Paint Horse Journal while being 81/2 months

pregnant and then promptly went off and produced a lovely baby daughter as soon as the PHJ was in the mail! According to Tracey, Baillee is doing well and behaving herself beautifully.

Congratulations from the directors, staff and members of the PHAA.

## Portfolio REPORT - by vicki Hume

With the National Show run and won I would like to take this opportunity to sincerely thank all those affiliated members who attended. A big thank you also goes to those who participated behind the scenes to put forward another great event showcasing our beautiful paints. A huge debt of thanks to Craig Dengate for his tireless effort in what can only be described as one of the most difficult periods leading up to the National Paint Show.

As you are aware, our association is also experiencing a very difficult time with membership renewals down from previous years and the added burden of fluctuating office staff since the resignation of two office managers in less than a year. I would ask that you continue with your patience and encouragement to the girls and now Ron, as they are doing as much as they can to bring us up to date.

On a sad note, it is with disappointment to learn of the resignation of Jeffrey Hall as President. I would like to thank Jeffrey for his time in the Chair and wish both he and Lee Ann well for the future without the constant pressure of Board duties to attend to. I would also like to take this time for those of you to take a moment to reflect on who you would like to lead the Board into the next term. Remember your input as members determines who will guide us through the next months.

Our small but dedicated team put in a lot of after hours work at no cost to the Association to provide the best possible service to you, our members. We have many thoughts and processes put in place over the next months to ensure that things will come back on an even keel and we can once again experience the great service expected from our office staff.

On a brighter note Spring is finally upon us and what a wonderful time of year when we experience the joy of bringing new life into the word and know that we have in some small way played a part in that creation. Our babies are always a welcome sight; as paint breeders, we not only have the expectation of a colt of a filly but "will it be a coloured baby". I wish all breeders well for this season, limited though it may be for this year.

With spring also comes the full swing of the Show season for many. I know that our affiliates are looking forward to the new season with vigour and would like to congratulate your small band of committees who work tirelessly to strive to offer a well run show for their members. It is a thankless task which [Regional Clubs]

usually falls to the same few people, so please remember this and offer assistance where you can, even if it is locking or unlocking a gate or helping to pack away the trail equipment at the end of the day.

On another note, I would invite affiliated clubs to send in any articles or photos of paints doing anything other than showing. I think sometimes too much emphasis has been placed on showing and not enough of the deserved recognition for other disciplines particularly in areas of working cow events or even the trusty pony club mount.

Thank you all for your hard work in promoting the paint horse and the Association in all you do. I look forward to hopefully catching up with you in the near future.

A reminder that PHAA Affiliation Fees are now due for regional clubs.

Portfolio REPORT - by Lee Wear

What a year so far we've had the State Shows. The Amateur Owner World Show trip and the Nationals.... actioned packed to say the least.

With EI out of the way it was full steam ahead for our shows. I made my way down to South Australia for another great State show, if you've never been I recommend it. The South Australians put on a great show and are a lot of fun. Murph made his début running the barrels, he ran a very fast 29 seconds and while we waited for the other competitors to run, my trusty strapper Wendy mentioned that she thought I'd be able to beat Murph. Letting no challenge go unattempted I took off my chaps and had a go. Now if you haven't met me or don't know me very well I'll put you in the picture, I am no Usain Bolt but having said that I ran a 26 seconds. Beat my own horse by 3 seconds....as you may have guessed I haven't been offered any big money for Murph as a coloured runner.

We missed out on the Victorian State show as we were running out of leave but we hear it was quite a show. We are yet to get to Queensland although it is on our list.

With showing just under way we boarded a plane to Texas to check out the World Show. It was a great trip which you can read more about in my Texas Report. If you haven't been, save and go, you'll not regret it.

Back for a few weeks then it was on to the Nationals to showcase all of our bargain buys from Texas. The Nationals were very different this year seeing the return to the Expo centre arena. It took a couple of days to settle in to the trains shunting but once that was done we were underway for another fun show. Congratulations to everyone who came and had a go, I had a great time so I trust everyone else did.

A big congratulations goes to Suzanne Egan who won High Point Amateur of the show.

We held our annual A/O meeting where we discussed a range of topics which included the idea of spreading out highpoint awards rather than one saddle for the highest point earner. It was generally thought that because we all as a group raise the funds for these awards that we should try spreading the awards out so that more amateur's get an opportunity to be rewarded for their efforts. Ideas for spreading the awards around included awarding for the A/O high point halter horse which would be split from the A/O high point performance horse. I am happy to add

[Amateur Owner]

and take on board any more feedback you wish to put forward on this topic so if you do want to comment please email me at paint.girl@live.com . Once I have all the feedback I will print the award structure in the next journal. There were lots of other really great ideas that were tossed around and I will work my way through the list as time permits but the big news I do have is that we have State Reps again this year to help with the work load and give you a more local voice.

#### Meet your State Amateur Representatives:

Queensland – Toni Scown

New South Wales – Kristy Trigg Now you will notice we still have some room for more so if you live in Victoria, South Australia, Tasmania, Western Australia or the Northern Territory please contact me if you would like more information on becoming the State Representative for your State.

Until next time

# Texas 2008 -part.1.

Well it was a long time since the idea was first floated to the day we boarded the plane but when it arrived we were ready. The Amateurs were ready to hit Texas and the 2008 World Show, we just hoped they were ready for us. Roxanne Lowe, Mel Hogan and myself were all excited to be heading off, so cashed up and ready for adventure, we boarded the plane.

**ROXANNE** had never flown before so after her initial panic she was good, luckily she is easily distracted so as long as I could keep her entertained she was going to be fine. This was made easy with the in flight movies. The change from Qantas to American Airlines is a noticeable one and it was made worse as we were all split up, although this did give us a chance to chat with the locals. Mel was taken aback...she felt a little cheated that Texas wasn't a desert that should have look like something out of a western, this led to a whole discussion on serial killers as this was the latest reference material we had seen at the box office "No Country Old Men", This cracked up our fellow passengers being that we were discussing it across the cabin because we didn't get seats together. The young man sitting between Mel and myself was amused since we came from Australia, seems news travels and South Australia is also well documented on film. Anyway with the air travel out of the way it was time to hit the roads.

Driving in Texas was going to be fun this fact was established as soon as we left the carpark.....but we had

a secret weapon....our GPS "the mole" so named as she knew all the hidden ways to get to anywhere we wanted to. We headed to the hotel to plot out our trip ahead, yes we hadn't a detailed plan just some ideas and a handful of brochures along with a few phone numbers.

Day one took us from Dallas to Waco so we could tick the first two things off our list which was the Rodeo Pawn shop and the Texas Rangers Museum...yes home of Chuck Norris. On the way we stopped to shop which helped to make our seven seater Dodge get that homey feel. When we reached Waco we found it was too late so we found a hotel and headed out to eat, then back to the hotel for a swim.....who would have thought Texas would be so hot, other than anyone who has been there of course.

Day two and we checked out the Rangers Museum and the rodeo Pawn shop, Museum was great but this is where we found that Texas seemed to have a funny slant which was to become a theme for all the historic places we visited. It seems that no matter what the event the biggest part of

any event is the way in which anyone was killed. We learned a lot here including the fact that Texas was stolen from Mexico, a fact we found most in Texas refuse to believe or acknowledge. The pawn shop was an eye opener you could buy anything from a western saddle to a double barrel shot gun....pistol if your looking for something more concealable. Waco was also where we found a white cocky that had a Texan accent, although when I said he sounded American I was quickly corrected so I knew it was Texan not American. With all this out of the way we headed off to San Antonio.

San Antonio was quite the challenge to say the least, this was where we found the roads beat us for the first time and where we booked into the worst motel in Texas, which was also the motel we checked out of after opening the door and not even putting a step inside the room. We fought back and beat the roads system to stay right across the street from the Alamo. Here we were able to wander the canals in amongst the party atmosphere...very Mexican to say the least. We ate dinner upstairs in an open air restaurant overlooking the party makers then we wandered down to get on a barge for a tour around the canals. It's was an excellent way to see the city, we capped off the night with a horse and carriage ride, the carriage was lit up like a Christmas tree....very cool way to take in the sights. Back to the hotel and a good nights sleep before we would return to the Alamo.

Alamo...interesting, pretty and yes those Texans told us all about who got killed where, how and what it did to them in the way of death....gotta love the commitment to detail. We did try and clarify the fact that Texas was stolen from the Mexicans but the tour guide just seemed to dismiss us for some reason...anyway it was time to pack the dodge and get the hell outta there and onto Houston to visit NASA.

Now I know your all wanting to hear about the rest of the trip but being this is our issue after the Nationals we are limited to just how much I can go on with....so stay tuned for the next issue.

Despite being the third largest country in Western Europe, Sweden has a low population density with about 84% of the population living in urban areas. Surprisingly parts of Sweden offer a temperate climate due to the Gulf Stream, unlike many other countries on the same latitude. However, in the mountains of northern Sweden a sub-arctic climate predominates. Temperatures from the north to the south vary dramatically. Winter in the north can reach lows of -19 C whilst the south sees average lows in winter of only -1. As you can see, keeping horses can offer challenges in this European wonderland.

Although Sweden has had coloured horses for centuries, it was not until around 1990 that the first registered Paint Horses were imported into the country. Horses were imported from both Germany and the USA and in only a few years were making their mark and winning at the European Championships. The business of Paint horses was progressing well, until 1999 when some recommendations were put to the Government authorities regarding the overo coloured Paint horses.

There are many laws regarding the keeping and breeding of animals in Sweden, effecting owners of many different animals including horse breeders. The Swedish Paint Horse

Association, takes it on board to ensure that people interested in Paint Horses are advised of the many rules and laws that they may come across, particularly when it comes to the breeding of Paint Horses. The laws are governed by the Swedish Animal Health Department and the Swedish Horse Board. Horses must be checked for genetic defects as well as disease and other traits that can be passed on to their offspring – things such as HERDA, PSSM, GBED and OLW are on the testing list for horses in Sweden.

Sussi Elfsberg, committee member of the Swedish Paint Horse Association explains that at that time, there was not the information available, nor the understanding of the overo gene

PHOTO 5: Emguld Medal

and the way in which it acts. The Swedish Government put in place rules to prohibit the breeding of overo (positive) horses, regardless of what they were being bred to. In Sweden, it is prohibited to breed together animals that's offspring would be genetically defective or suffer from an affliction that can be avoided. Some members within the Swedish Association lobbied the authorities to explain the actions of the gene and that a Lethal White foal could not be born if an overo positive horse was bred to an overo negative horse. The members also put forward the case that other breeds also carry this gene, but the regulations were put in place for Paint horses only. Only Paint horses that tested N/N to the overo gene could be used for breeding. This had a devastating effect on the Paint Horse breeding programs in Sweden for many years. Overo stallions, such as Sussi's "Whatafrecklynxkent" could not breed mares in Sweden, so were forced to travel to other European countries, Sussi's stallion covering mares in Denmark and Belgium.

After 8 years of hard work and lobbying of the Swedish Board of Trade and the European Commission, now in 2008, the Swedish Paint Horse owners can breed Overo horses again, but only to an overo negative partner. It has taken a long time for people to have an understanding of the overo colour and the overo gene in respect of Overo Lethal White foals.

There are Paint horse competitions in Sweden, though some owners travel through out Europe to show their horses, many competing in the European Championships, held in Germany each year. As young as the breed is in Sweden, there are already 5 horses that can boast being double APHA Champions – Open and Amateur, while only having very few horses compared to other countries like Germany and Italy. "Sporty Danny" a black frame overo owned by Annika Muller Hansen and imported from the USA has certainly been a great ambassador for Sweden, winning European Zone Championships each year from 2000 through to 2005, now retired as a breeding stallion his progeny should soon be following in his path.

Frecka Paints, operated by Sussi Elfsberg, is a small ranch located in Aled, in the south of Sweden. Despite working a full time job, Sussi is proud of her small ranch and tells that she has exhibited her stallion "Whatafrecklynxkent" (1996 sorrel overo) to win the APHA Zone Award for Europe at only 3 years of age. "Frecka" has been campaigned at the European Championships winning Gold in Amateur Halter, Silver in Trail and Bronze in Open Halter, Amateur Western Pleasure and Open Hunter Under Saddle, he can also boast winning the German Western Pleasure Futurity and to have been rated the highest points given by the Swedish Horse Board under the Breeders Stallion test. Stallions are tested for correct movement, angulation, correctness and straightness of legs, type to breed, their bloodlines and then finally any show record they may have. As breeding of overo horses was prohibited in Sweden when Frecke was a young stallion, his progeny form 1999 and 2000 (conceived before the laws were put in place) have performed well for him – Whata Freck Boon being the APHA European Zone winner for Amateur in 2006 and for both Open and Amateur in 2007. Frecke has been listed as the number 2 sire in Europe for Halter and Performance offspring.

A recent import has turned some heads – Colour Your Dash a 2006 sorrel overo stallion – double registered Thoroughbred and Paint Horse, presently in training for the track will also be seen in the show ring. This stallion traces back to such great thoroughbreds as Nureyev and Northern Dancer. The same owner has a double registered APHA / Jockey Club black frame overo mare who has recently produced a black overo colt foal – the first of his kind in Sweden.

With the changes to government legislation, breeders now have a greater choice. Add this to some recent imports to extend the gene pool and Sweden will be a force to be reckoned with in the Paint Horse world. ③

# We Sh

# Well what a busy couple of months, we've had the World Show and the Nationals and I don't know about you all

BUT I'VE HAD A GREAT TIME.

The Paint World Show was a great experience which I'm sure you can all read about in the report from Stacey Bentley who was our Youth reporter. The Team had a great time and we cheered long and loud for the girls. As you can see from the photos the support crew was ready to "bring it" on competition day which was great as it matched the Team who was already bringing it. I wont spoil any of the report with the finer details but the girls had a great time and represented us well. It was great to see our Team do so well and I can only encourage you to work hard if you think you would like to be part of the next team. A big thank you goes out to Lee Ann and Jeff Hall for once again doing a great job with the Team and all of the great connections within the USA along with the APHA. I think I speak for everyone when I say we had a fantastic time!

Our National show was another great event, a bit colder than normal but still a whole lot of fun. We had our traditional pancake night which was a huge success, it saw a production line of pancakes making their way out into the crowd.

Youth Team • Photo by: KC Montgomery

It was great to see a whole heap of new faces mixed in with the regulars and our Youth meeting this year was well attended and it came up with some new ideas which we will try and work on for the future. I'd like to thank Victoria Egan and Samantha Graham for joining forces with Kristy Trigg and myself in the Team Penning, we showed that with good communication and a heap of yelling you can Team Pen without a painted pony. Congratulations goes to all the youth who competed I was so pleased to see how much work you had all put in. Special congratulations goes to highpoint winners Stacey Bentley as junior youth and Sarah Bourke as senior youth.

We also had two special awards this year which were donated by Jack Abbott who has been a long time supporter of the Paint Horse Association. These awards were handed out as encouragement awards and were won by William Hupp and Emily Hill, two of our up and coming stars of tomorrow.

All in all I think we all had a great time so much so that we will do it again in seven months time. Be there or be square!

Remember that now is the time to start racking up those points towards getting one step closer to the World Youth Australian Team 2010!

If you have any stories or pictures you want me to post just email them through to **paint.girl@live.com** 

So until next time be good to your parents and give your paint a big pat from me. See you on the flip side!

**Lee Wear** Youth Director

The youth team and supporters provided an instant cheer squad for Reserve World Champion and New Aussie, 'Magnificent Touchdown'. Photo by: KC Montgomery as the photographer.

Everyone gathered at the foyer of the Sydney Airport Mercure Hotel on 15th June,2008. Soon our arms were piled with Australia Team Shirts and Caps, Aussie Singlets and Caps, our Bluedog sponsored sleeveless shirts and jeans, Aussie accessories and best of all we were presented with Team Belt Buckles.

It was an early start the next morning (of which we had many more) to the Sydney International Airport. With help from Jeff and Lee Ann Hall we negotiated through the check-in systems and customs without losing anybody from the group of more than 20 Youth and Supporters. Then there was the 13 and a half hour long flight to Los Angeles.

We arrived in America at 6:00am, and caught the shuttle bus to the Wyndham Hotel, Anaheim. To help us adjust to US time we needed to stay up until that night, so we took a guided tour of Hollywood, and had dinner at a Medieval Tournament. The tour guide said we were the quietest mob he had ever taken as everyone was nodding off.

Next day we were off to Disneyland! This was awesome, but the lines were incredibly long. There was so much to

# There's a face I recognise from Dubbo!

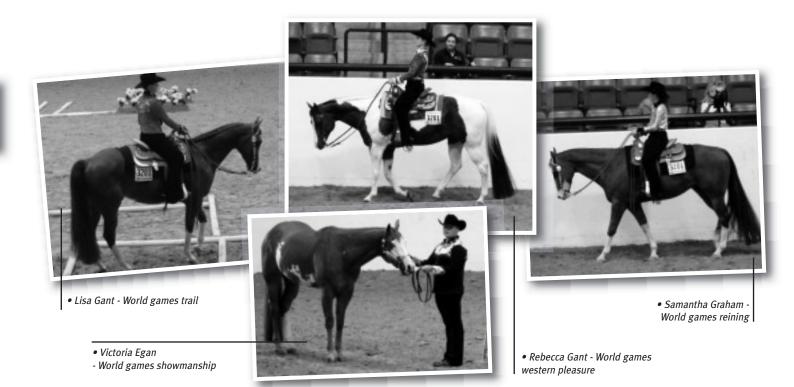

That familiar key word 'Dubbo' brought our attention around to Samantha Graham and her family. From that point on it was the beginning of a wonderful lifetime experience for six excited girls.

do and see, we watched an amazing fireworks display over the Fairytale Castle, and eventually headed back to the Hotel at 12:00pm.

We went back to LA Airport to catch our flight to Dallas-Fort Worth. It was absolute chaos. After we checked in we had to go outside to line up, to come back inside to get through customs. After being at the Airport for more than three hours we only just made it to our flight.

The Hire Cars were picked up after arriving at Fort Worth. We then travelled in our mini bus on the wrong side of the road to what we are used to, to the Extended Stay Hotel which became our home for the next few weeks.

Once we settled in we bought food for breakfast at the Target Superstore across the Road, noticing some differences in American eating habits. The next few days were full on as we got ready to compete, studying for the Hippology Test and attended the AjPHA Awards Dinner. We met the people who donated horses for the Youth Teams Tournament, and helped out around there stalls.

There was last minute shopping for outfits, and a practise session with the horses before our competition in the afternoon. Everyone performed well with Tash Smith taking home a 1st in the Showmanship, and Samantha Graham collecting 8th place in Barrel Race. After the competition we entered the Youth Teams Tournament Knowledge Relay, were the team placed 2nd.

By this time our first sleep-in was most enjoyable, we didn't have to get up until 8 o'clock. We then had to get our costumes and props ready for the YTT Parade of Teams. The theme was "Paint the Stars" so we literally painted stars, choreographing it in with some dancing to the song "Land Down Under". The judges thought it was awesome, and placed us 2nd. This gave us 6th overall in the YTT competition.

We later met members of the countries competing in the Youth World Games for a Mexican Dinner. The next day all the teams toured Purina Mills and McNeil Ventures (a halter horse ranch).

There were two 30 minute practice sessions for the youth competing in the World Games before their day of competition. The Australian team members again performed well with Lisa Gant placing 7th in the Trail, Rebecca Gant placed 3rd in the Western Horsemanship, Samantha Graham placed 5th in the Reining, and Victoria Egan placing 2nd in the Showmanship giving Australia 4th place overall against France, Netherlands, USA, Canada, Germany and Sweden.

#### WELL DONE EVERYONE!

An early start again saw us back to the Will Rogers Colosseum for the Youth Judging Contest. We did not participate in the reasoning section which made us ineligible for any awards, but received a special mention for our Judging results as Australia gained 93%.

Kids Day was the 28th of June. Australia volunteered to help out and was given the job of leading the very patient horses used for pony rides. Any child could attend Kids Day and were treated to Pony Rides, Face Painting, Stick Horse Making and Paint Horse Freebies as a way of promoting the Association to the general public of Fort Worth.

Australia joined Craig Dengate and Karen Lonski to watch and cheer their stallion 'Magnificent Touchdown to win Reserve World Champion 3 Year Old Stallion.

There were a couple of other functions that the Youth and Team Supporters attended during the world show. After nearly two and a half weeks it was time to say goodbye to the World Championship Show and friends they had met during that time.

The rest of the time at Fort Worth was filled with shopping, riding the roller coasters at Six Flags Amusement Park, floating down the Guadalupe River on a tyre tube and visiting Fossil Gate Farms, Diamond 2 Be Stud, a Tennessee Walking Horse Ranch, Tom McCutchen Reining Horses and Earnest Wilson's Ranch.

It was certainly a busy fun filled time thanks to Jeff and Lee Ann's expertise. Everyone's bags were bulging on the trip home, and there was a lot more sleep had by all on the flight back across the Pacific Ocean.

Thank you to all who made this incredible trip possible.©

# • Tasmania inaugural High Point Awards...

The Performance Paint Horse Association of Tasmania held its inaugural High Point Awards night on the 2nd August 2008, at the Launceston Riverside Hotel.

It was a wonderful evening, with master-of-ceremonies our P.P.H.A.T. President, Mr. Malcolm Hume. It was quite an emotional night, with one of our strongest supporters - Mr. Greg Boon - passing away in the weeks before the awards. Greg was very proud of his daughter, Melissa Cowen, and what she has achieved with breeding, owning and exhibiting her 2007-2008 High Point Paint junior gelding winner "Shanghai Kid". The Greg Boon Overall High Point Horse perpetual award has now been dedicated to Greg, and named in his honour. This award was presented to the 2007-2008 winner by Greg's wife, June.

While the impact of E.I. was felt early in the season, with many shows being postponed, or simply cancelled, there was no shortage of quality in the Paint horses being shown by all our members in the 2007-2008 season. It was wonderful to see this new nationally affiliated Association receiving such support from its members and other equine clubs in its first season.

If you are interested in joining P.P.H.A.T, or have any queries, please contact or Publicity Officer - Lydia Hantke on 62501222.

# A NOTE TO SAY THANK YOU....

I would just like to say a big THANKYOU to the PHAA for my recent Tasmanian Overall High Point Paint Horse trophy. The PHAA sponsored and sent the most lovely sculptured Paint horse head study trophy. It was a lovely surprise to receive this at the recent inaugural Performance Paint Horse Association of Tasmania High Point Awards night.

I was very proud of my yearling filly **'S.L. Colonels Supermodel'** (9969) for not only winning this lovely trophy, but

for also the other awards we were fortunate enough to be presented with.

Elle is my first Paint horse registered with the PHAA and my first season of showing a PHAA registered Paint horse. I now have a second registered Paint filly, **'S.L. Playin in the Sun'** (10219) and can only hope Venus will follow in Elle's quite substantial and successful hoofprints. Thank you to all who have helped me in this journey.....it is only the beginning.....

Lydia Hantke (7284) - Port Arthur, TASMANIA

A huge congratulations to all who have participated in our Inaugural High Point Awards for 2007/2008. We hope to see you set and achieve new goals for the upcoming season!!!

# 2008 PHAA NATIONAL SHOW REPORT FEATURE

ARTICLE BY: CRAIG DENGATE PHOTOS BY: PINKY

# Paint Horse of Australia National Championship

The Paint Horse Association of Australia recently conducted its annual National Championship Show from 5th August to Sunday 10th August, 2008 at Dubbo Showground.

**SOME** of our members may have had reservations about the running of this event at this time. I believe after all things considered the time that the PHAA Board decided to conduct this event was the most practical from the majority of our normal show participants and with the numbers that supported the National Show of approximately 180 horses I believe the results suggest this.

We were privileged once again to have two highly credentialed and experienced International Judges, Trisha Shorten-Armstrong and Sherry Haynes, both of these ladies have made their life around the horse industry and that to me is an indicator of the passion they have for the good of the western horse industry. This was reflected in their judging results with the majority of their results being comparable. Once again I believe the PHAA will be seeking judges of this calibre for the 2009 National Show. Horse numbers were still very good with approximately 180 horses attending which was more than I had anticipated, under the circumstances that were set before us. This shows that our PHAA show people are still committed to promoting and showing their

promoting and showing their Paint Horses under unusual circumstances.

The Futurities were reasonably well supported and some of the stand out performances were weanling futurity winner, 'Our Incredible Story' by 'Intensity' (imp) out of 'Incredibly Shameless',

owned by Helen Golchert and Briana Shepperd and shown by Reece Burchell for Robert Brumm. This horse received

We were privileged once again to have two highly credentialed and experienced International Judges

\$2,264.00 for winning this event and also went on to win Grand Champion Stallion or Colt and won the Youth Incentive Sires Classic Weanling Futurity paying \$927.00. The 2 Year Old and Over Halter Futurity went to 'Sweet Justice' owned by Hallmark Farm shown by Jeffrey Hall receiving \$748.00 and also went on to win Grand Champion Mare or Filly and Supreme Champion Amateur Owner Exhibit shown by Lee Ann Hall.

In the performance events Counthekash, a gelding owned by William Hupp and ridden by Carolyn Johnson won the 2 year Old Trail Futurity, 2 Year Old Hunter Under Saddle Futurity and the 2 Year Old Western Pleasure Futurity. A 3 year old gelding called 'Exceptional One' owned by Van & Sue Sparkman ridden by Kristy Mobberley won the Open Hunter In Hand Futurity, 3 Year Old Trail Futurity, 3 Year Old Hunter Under Saddle Futurity and placed second in the 3 Year Old Western Pleasure Futurity.

Some of the other mentionable events outside the ring, for the third year in a row Jeffrey and Lee Ann Hall have once again shown their commitment to the good experience of our members attending the National Show. Conducting their Texas BBQ Chilli Cook Up with choices of smoked and BBQ meat and other side dishes as well. Some liquid refreshments, all you can drink to wash it down. Gold coin donation was received and funds raised were approximately \$500.00 which go to the PHAA Youth Development Fund. To follow on, the Goods and Services Auction is starting to become a tradition not only for raising money for the PHAA Building Fund and Youth Development Fund but for the entertainment value it provides. This event brings out some hidden characters with the bidding competition at peak levels, a big thank you to Graham Thornton our resident auctioneer for the usual style he brings to the night by encouraging the bidding. To all of our members that contributed Goods or Services to this night you have collectively made a great deal of difference and a sincere thank you from myself.

The PHAA National Show is a tradition with our members who usually take holidays to attend and be a part of the show and this show was no different. It was good to see a lot of new members come along and have a go and sometimes step outside their comfort zones to compete. A new family that participated for the first time

was the Hill Family. They purchased a gelding called Ima Special Jet approximately 2 weeks before the National Show and joined our PHAA membership. With James and Emily sharing the horse between Junior and Senior Youth Classes, both of them managing to get up in the places for their first PHAA National Show and they always seem to come out of the show ring with a smile on their faces. To see these experiences makes my participation in the management of the National Show a worthwhile one.

Another important event was the presentation of the Belinda Abbott Memorial Trophy to Jack Abbott, Belinda's father. The Belinda Abbott memorial trophy was awarded in the past 9 years to the winner of the National Weanling Halter Futurity and now with the time past for this event was presented to Jack for safe keeping and remembrance of the commitment Belinda made to the Paint Horse Association Of Australia. Pascale Benoit assisted in this presentation and in the remembrance of Belinda Abbott with some back ground stories and commentary. This truly was a solemn occasion.

The show management team worked well and rose to the challenges when they needed to. It was good to have Don Northey as Arena Manager a new addition to the management. Carol Gleeson who was always easy to get along with made an extraordinary effort with the help of Ron Gleeson prior to the show behind the scenes to assist in obtaining necessary information from the PHAA Office to run the show. My appreciation goes to all people that assisted in the running of the National Show which includes;

| Awards Co-ordinator  | Linda Slee                                  |
| PHAA Directors       | Jeffrey Hall, Lee Wear, Sally McPhee        |
|                      | and Alison Lord                             |
| Auctioneer           | Graham Thornton                             |
| PHAA Members         | Melanie Hogan, Sue Sparkman,                |
|                      | Susan and David Egan                        |

| PHAA Office Staff    | Meaghan Hennessey                           |

Some of these people did receive remuneration but when needed went above the call of duty to assist with the running of the 2008 National Show. To the members who participated, I know the current PHAA Board Of Directors are already working on arrangements for the 2009 National Show to make it even better. See you there! ©

# SOME THOUGHTS ON THE SHOW

from Trisha Shorten Armstrong

of Diamond Venture Show Horses Oklahoma USA

JUDGING your National Show was definitely an honor as a judge, you have a beautiful country and amazing people. Everywhere we went the people of Australia where friendly and gracious. Having been to your country in April of 2006 at your State Show I had some idea of how things would run. Although the National Show was run much more effectively. The quality of the horses especially the Halter horses have really improved. Preparing horses for a winter show is difficult in any country.

In the USA our horses are more confined to their box stalls and kept under lights from 6:30 am to 10:30pm which of course tricks their bodies into thinking it is summer all year round. Most people use timers to turn the lights on an off. Some suggestions for Australians (whom I was told give their horses more free exercise) might be to turn them out early morning or late afternoon to avoid the hottest part of the day where the sun can bleach their coats or sun burn a paints pink nose. Teaching your weanlings the meaning of "Whoa" is one of the most important things to do. "Whoa" means "Whoa" and not well maybe I'll just walk on a little bit more. Also teaching the weaning to respect "your" space and not to enter into it without permission is a big help in teaching a halter horse to stand and set up. Do not be intimidated by the judges and walk your horse straight to them as they want to see how the horse tracks not the handler. Practice showing your horses teeth at home. Separating the top and bottom lips to expose the horses bite. The judges are looking for an over or under bite. (One bit of advice-When using a twitch on your horse put it on slowly gradually tightening it to only the amount of pressure needed to clip the ears or bridle path. And when taking it off, hold on to the nose with your other hand and slowly open your hand and start rubbing the nose with your hand , then part the lips several times as if you are showing a judge your horses teeth. This will help a lot when you are in the show pen) Trot your horses straight away from the judges and make a sharp left or right turn at the cone.(We want to see if your horse is sound on the profile trot.) Line up as instructed. Try to get your horse broke to set up off the halter.

A good way to start training on this is -Teach Whoa First- Stop your horse squarely in the line up (best to do homework before show)- Turn to face your horse and move his legs forward or back to set the right hind leg square under his body(the hind leg on your right hand side as you face him) Then rock your horses left hind leg(again facing him) forward and back moving him diagonally thru his shoulder until you have it even with the right and square under his body. Now here comes that all important WHOA. Hold your hand thru the chain under his chin and hold his head slightly forward all the time repeating Whoa (This keeps them from taking a step backwards as you set the front feet.) Put your right hand over their withers (On a foal you can almost put it on their shoulder) Pull them slightly to you taking the weight off their off foot and use your right foot at the font to move the foot back on the inside to move to away from you, on the back of the hoof to move it forward. Soon you will be able to move their foot even an inch if needed. Keep your cues consistent each time. Then for the near front foot touch them on the side of the shoulder with an open hand to take the weight slightly off the foot and use the same cues to position the foot. BE Patient! Be

happy with a little more perfection each lesson. Try to reward them with praise each time any remember when teaching something new progress a little at each lesson and always put them up on a good note rather than a fight.

Setting your horses up off the halter gives the judges a lot more time to look at your animal. (Plus some judges are impatient on those horse who will not stand and will award the prize to another) As a general rule if you pick up a hind leg on a horse he will step out with a front leg. You lose valuable time the judge needs to evaluate your animal. Make sure your halter fits your horse and is adjusted properly. It should fit right up under he protruding cheek bone and should be snug around the nose and jaw into the throat latch. The halter should be polished and clean, as well as the lead shank. Don't let your horse think the shank is his chew toy. Your lead should be held with the left hand in several medium size loops with the right hand held close to the beginning of the chain. The chain should be run trough the left halter ring ,under the chin ,through the right halter ring and up to the ring on the off side at the top of the cheek. (The horse should become accustom to the pressure of the chain "slowly" in his home environment to avoid pawing, rearing and striking)

Your horse should be properly groomed and clipped before the show with his mane banded down to enhance his neck (Improper banding can actually add inches to a horses neck) Use an accent color if you want to show off a great neck and want the judges eye to go to the neck. Use the same color of bands as the mane if the horse neck is not his best attribute. Use baby gel or other commercial products to accent the eyes and sides of the nose.( Do not put oil on the white only dark areas as it attracts dust) Oil the insides of the ears for a finished look. (Another great reason "not" to ear down your horse!)

Make sure your turned out in the same clean and polished manor as your horse. Boots shined ,hat clean and shaped properly, pants of the correct length. Your outfit does not have to come from an expensive Western store, just clean, neat and properly fitted to your body type. Great deals can be found at department stores for men and women alike on jackets ,blazers and suit coats. Don't overdo the "Bling". Most judges do not care for all the ""glitz" and it can take away from your horse.

Remember to there are no perfect horses or people. Show off your horses best qualities and present him with confidence. You have to believe he is the best animal in the pen and convey that to the judge. But remember there are allot of ways of winning. Sometimes it is just getting the nerve to show, maybe just getting your horse to a show is an accomplishment or maybe having a show in Australia in the winter after months of quarantine is a "win" especially with the great turnout you all had. Take encouragement from the little things and keep setting goals for yourselves. Be a gracious winner and loser. Congratulate the other contestants for their wins and thank the judges when you win. (Trust me Judges remember those kind of things). Keep up the progress and have a great fun showing and remember winning the "Buckle" won't get anyone to Heaven! **Thank You Trisha Shorten Armstrong**

# AQHA AMNESTY...

## DEAR PAINT HORSE MEMBERS,

I am glad to report that at the recent AQHA board meeting, the directors resolved to approve an Amnesty on registrations which will come into effect on the 1st of August, 2008 and expire on the 31st of May, 2009.

The last amnesty that AQHA had was some 10 or so years ago and they do not happen very often so I urge everybody with eligible horses to take advantage of this offer within the specified time frame to bring your registrations up to date. This means that if you have a seven year old horse which has never been registered with AQHA for one reason or another you may now apply for registration without paying late lodgement fees.

Under the Amnesty, Registration applications for all eligible horses under the Rules & Regulations will be accepted at the Due Date fee of \$120 including GST and Stallion Returns for all eligible stallions will be accepted at the Due Date fee of \$17 including GST which means in both cases that no penalty fees will be applied during the term of the Amnesty.

Please note that this offer finishes without exception for all registration applications and Stallion Returns post marked up until the 31st of May, 2009. To make things easier for members AQHA is about to launch its online Stallion Return feature for services to AQHA mares on our website so stallion owners can just log on and lodge and pay for their returns by credit card so keep an eye on the website for details.

With the increasing interest in the resurgence of Sprint Racing in Australia and many enthusiasts excited with the positive moves forward, many owners of sprint horses will be able to bring their horses up to date so that they can get the recognition they deserve.

Even though the introduction of DNA and parent verification into the registry process was advertised well and truly prior to the date that it was introduced, some members still failed to get some of their older mares or stallions DNA typed and this has lead to some horses which would have had Q numbers under the pre-DNA system being given an AX registration status. In many cases, these horses had a parent die without having its DNA type done.

Also, as part of the Amnesty the progeny of horses foaled prior to 1 January 1989 will be accepted on their own merits.

What this now means is that the AQHA will do a search and members or owners of horses which have been affected due to a deceased parent will be contacted by AQHA.

Again, please remember that the Amnesty will end without exception on the 31st May, 2009.

By taking advantage of the Amnesty and bringing their registrations up to date with AQHA, members wishing to register their eligible horses with AmQHA can then take advantage of the special International Affiliate rate of US\$25 which is only available through AQHA as the American Affiliate.

Remember, The Australian Quarter Horse Association is THE American Quarter Horse Association affiliate in Australia and if members need help with registering their horses with the American Association, please contact us – we don't charge any extra!

Shortly, members will be able to just tick a box on the Australian Application for Registration if they also want their horse registered in America and we will automatically send them the application form to fill in and return it to us with the applicable fee which is US\$25 regardless of the age the horse. We will then lodge this on your behalf with the AmQHA. For those of you registering your horses with AQHA this year, please remember that the earlier you register your horses, the sooner you will get your papers back. Things which can cause delays in getting your registrations back to you are delays in the member getting the hair samples to the Uni and the failure to get the pink DNA ID Certificate back to AQHA quickly after the hair samples are taken. This applies just as much to the parent mares as it does to the foals.

AQHA anticipates that there will be a lot of members taking advantage of the Amnesty and that as a result there will be a considerable increase in the volume of work to be done in the office which may create some delays but rest assured we have made some changes to the processes that should see any delays minimized.

In closing, a final reminder to all breeding stallion owners. In putting in place our HERDA rules last year, all breeding stallions must have the results of their HERDA test on file with AQHA by 31 July 2008 otherwise the stallion will be suspended until the result is in place. HERDA testing kits are available from the office for \$55 including GST and it will take around two weeks for the results to come back so if you haven't tested your stallion yet and you want to use him this year you better get cracking because time is running out.

If any members need more info on the Amnesty or any other information to do with the Stud Book, please contact me direct.

Happy Breeding Season 2008. *Ricky Glen AQHA Stud Book Convenor*
