PHAA Office Updates - JUNE/JULY 2009

Wow! It has certainly been hectic in the office since my last report. We handled the mail out for the Board of Director election which I believe was the first time actual ballots were needed for a few years. Congratulations to Angela, Alison, Amanda and Vicki on being re elected and a warm welcome to the new Board members: Claire, Denis and Neville.

And of course welcome back to Lee who remains on the Board as immediate Past President. We are looking forward to working with the new Board to continue developing the best Association for our members that we can.

Following on from our work on the elections were all the National Show entries to be receipted and processed. I would like to say a big thank you to Tammy who made sure all the information got through to the right people or places. And last but not least was the actual preparation for the Show. From an office perspective this included putting together the sample bags, printing the Show booklet, checking and making the back numbers, ensuring all the trophies, sashes and prizes arrived in time and the quantities were correct, designing and printing the Show signs, liaising with the Director's to make sure they had everything they needed to be able to do their part etc. While all of that was going on the normal day to day business of the office continued. To their credit Amber and Taylor kept all of the 'other'administration up to date.

Congratulations to the Director's and the rest of the Show team for the effort they all put in to making the 2009 National Show a success. Everyone I spoke to during the Show was having a really good time and they were all very complimentary about the event. For 3 out of 4 of us in the office this was our first Show. We all learnt a great deal about what it takes to organise a week long festival and we will certainly take this learning into next year.

On the first day of the Show the office staff and I attended the Annual General Meeting which gave us an opportunity to meet lots of members that we have talked to or swapped emails with but had never seen. It was great to be able to put faces to now very familiar names.

By the time you read this we will have sent out membership renewal reminders to more than 1,300 members. If you are ever in Dubbo when the office is involved in a full mail out to members feel free to drop in and help us put the letters in the envelopes. I don't think

# © PHAA Office Updates ©

# www.painthorse.com.au

there is a more time consuming or tedious job in the office than "stuffing" envelopes! Going forward we are hoping to be able do more emailing of notices to you guys. This will save your Association a lot of time and money.

I am happy to report that there is no paperwork backlog in the office and it is only on rare occasions that anyone's paperwork takes more than 3 weeks to process. We are currently awaiting the arrival of all membership renewal requests and breeding returns. These 2 items should keep us busy and test out the office systems once more.

For those of you that do not know we abolished "No Phone Tuesday" at the beginning of February. We did this because

the back log of paperwork had been cleared and we wanted to improve our service levels to the membership by being available 5 days a week. The telephone calls that we receive on Tuesdays have been steadily increasing each week to the point where Tuesday is pretty much as busy as any of the other 4 days.

Don't forget if you need any assistance with Paint Horse related matters feel free to email us with your request at office@painthorse.com.au

See you soon .... Ron, Amber, Tammy and Taylor

# Presidents Report

The 2009 Annual General Meeting was also held during the National Show week. This was well attended and I thank every member who takes the time out to be involved in the running of the Association.

The review of the financial year ending 31 December 2008 showed the Association was still suffering from the events of 2007 as breeding returns and memberships were down. We believe this to still be a direct result from EI and whilst we are showing a recovery the effect may be felt for a few years to come. The 2008 financial year also saw an increase in staffing costs, a necessity due to a complete change of staff.

Going forward, we are confident that the staffing costs will settle to our previous levels as we have now resolved the backlog of work. The 2008 National Show reported a loss, firstly due to reduced competitor numbers as a result of rescheduling due to EI and secondly as a consequence of the increasing costs of running the show.

### by Angela Newton...

The 2009 National Show has now been run and won, congratulations to all our winners. Personally I saw a lot of great horses and competitors and I am very proud of the quality that was presented to the judges. A big thank you is extended to everyone involved in running the show, our sponsors and all the competitors. Check further in this journal for the National Show report and roundup.

A review of the National Show budget and reporting is currently underway with an aim to have the 2010 show completely self funding.

At this point I would like to introduce this years Board of Directors. For the first time in many years an election was held and I would like to congratulate Dennis Drew and Neville Jones who were elected to represent NSW/ACT, Amanda Sproules for QLD/NT and Alison Lord for the region of International/Other.

I would also like to welcome Vicki Hume and Claire Geri who were elected unopposed to represent VIC/SA/TAS/WA and Lee Wear who retains the position of Immediate Past President.

A big THANKYOU for all your hard work to Sally McPhee! Sally contributed immensely to the Association over her terms on the Board and is directly responsible for the revamp of the website, pulling the Journal together, a complete review of the Rulebook and many other behind the scenes projects.

Personally, I enjoyed many conversations and debates (it's still called chestnut Sal) with Sally and will miss her dearly.

With this being my first President's report I'd like to mention that I am looking forward to the year ahead. My goals are to work with the Board of Directors to grow the Association and leave the past challenges of EI and the like behind us.

We have a team of highly motivated and enthusiastic directors so I look forward to some exciting opportunities. With emphasis on the 2010 National Show being held at the new AELEC Centre in Tamworth the National Show team is already hard at work and things are happening!

Regards Angela Newton

### Portfolio REPORT - by Denis Drew

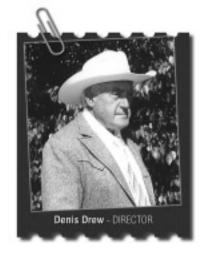

[Rules, Show & Performance & National Show]

Time has flown since the AGM, The national Show committee has been very busy organising venues and sponsorship. I made time to go to the NSW State Show held in the AELEC centre in Tamworth, this venue proved to be a real eye opener, it is world class.

This purpose built centre proved to be very popular with competitors, seating for 3,500 spectators, stabling for 500 horses, camp drafting arena, sales ring and outside warm up areas, everyone that I spoke to there were quite clear that if the Nationals were to be held in Dubbo they would not be back there. With this in mind the national show committee has decided that Tamworth is the place to be.

I have met with Gail Ritchie, AELEC's events coordinator who confirmed the

Easter weekend for 2010. The national committee will be meeting in Tamworth on our way to our next board meeting with representatives from the AAA, AELEC and the AQHA to arrange dates for the next 5 years. These will be published in the next journal and possibly a feature on this equestrian centre. This venue will cost less to hire than Dubbo to run major show. The nationals have run at a considerable loss the last few years so we will have no option to make it a user pay show, it can no longer be

subsidised by the PHAA. Sponsorship is URGENTLY required to get the show in the black.

If you can sponsor or have any ideas on the format of the show. Please contact me at ddrew@tsn.cc or phone/fax 02 6585 7205.

Regards Denis Drew

### Portfolio REPORT - by Alison Lord

[COMPANY SECRETARY]

The 2009 Nationals are over and congratulations to everyone who competed and suffered the wet weather in Dubbo. I am sure though local Dubbo residents welcomed the rain.

The 2008 AGM was held on Monday 6th April, and was at times fairly lively. There were a lot of questions, rightfully, regarding the financials.

The Association has, in the last 12 -18 months experienced tough times. Firstly EI, which severely affected memberships and stallion returns which are major sources of income. As well, during this time we also experienced a complete change of staff. This change resulted in the

Association having to employ staff who, though experienced in various fields, did not have a full understanding of our terminology and processes. Because of this, on the financial side of things, items were credited or debited from the incorrect sub-accounts, and so while the final bottom line is true and accurate there did appear to be some anomalies in various areas.

This only really came to light when the annual financials were presented to us

by our Auditor after the end of the financial year. We have taken steps to reverse these errors where possible and this will be reflected in the 2009 financial statements. As of 1st January 2009, now that all new staff are familiar with our terminology and processes, and with the wonderful assistance of our Book-keeper/Accountant Debra Wright, all efforts are being made to ensure that funds are allocated to and paid from the correct sub accounts.

### Portfolio REPORT - by Alison Lord continued....

### [COMPANY SECRETARY]

We will also be discussing and implementing advice given by our previous auditor Jon Fletcher of Ferrari Gardner at the next Board Meeting at the end of May. At this point I would like to publicly thank Jon for his work on the Association's behalf over the last several years. Unfortunately, due to the stringent Quality Assurance requirements imposed on Auditors, Ferrari Gardner have withdrawn their services not only from the PHAA but other smaller accounts.

As well, on the advice of Debra we are creating GST free sub entities for the National Show, Youth and Amateur Accounts and Futurities. Put simply, this means that these areas will not attract GST.

At this point too, I would like to thank

Sally McPhee who retired from the Board at the AGM. Over the last couple of years Sally has worked tirelessly in the background on the website, the Journal and lately bringing the Rule Book up to date a job which hadn't been done since the last update in 2005.

Speaking of the National Show, those of you who have read the financials will see that for the last two years at least the Show has operated at substantial loss, and while final figures are not available as I write, I believe the same will occur this year.

An example of how costs have blown out, is that going through the programme for the 2009 National Show I found that over half the events run, operated at a substantial loss, due to

lack of competitors in the events. We cannot afford to allow this to continue and so the Board will be looking very carefully at the 2010 National Show which is to be held at the new AELEC facility in Tamworth.

We are in the planning process already and are putting together a proper business plan for the National Show for the first time. There will have to be some rationalisation of events and as small an increase in entry fees as we can manage. At the same time we are already working on sourcing some corporate sponsorship which if obtained will go a long way in assisting us to keep costs down for the showing members.

Regards Alison Lord

### [AMATUER OWNER/YOUTH]

# Hopefully everyone that showed at the recent State and Nationals shows had a great time. What a busy month!

As a competitor at the SA, NSW and Vic state show as well as at Nationals in the last month I'd like to say a huge thank you to all the committees, judges, volunteers and workers that made these shows happen. It is great to have the opportunity to get out there and represent our breed and to see such big classes in not only the Open but also the Amateurs, Youth and Paint Breds.

Congratulations to everyone that showed at the Nationals this year and to everyone who took home a title. . The standard of the horses is getting

better and better every year. The halter classes definitely rivalled those of the Halter Showcase and its great to see some of the paints that do so well at our Nationals go out and hold their own at the big open breed shows.

Thanks to everyone that introduced themselves at the shows it was great to get to know so many new people and I hope to cross paths with everyone again over the next year.

I'll be working with Amanda and Lee this year to help with the Youth and Amateur portfolios and hope to get

some action happening down in Victoria this year. If anyone has any suggestions for activities they would like to see happen in Victoria please let me know.

### [NATIONAL SHOW/AMATUER OWNER/NON TRADITIONAL]

### I cannot believe we are in the middle of the year already and a typical Taasmanian Winter it is too!!

This edition of the Journal is jam packed with coverage of all our State and National Championships of late. With the Tas, SA, WA, NSW, Vic State Championships and Nationals well behind us. We have only the QLD Chamionships to go in July.

Well done to everyone who has participated and competed. particularly at the 2009 Nationals. I hope you had as much fun as I did putting faces to those names during my time in Dubbo. Thank you to those who I had a chance to meet and have a chatwith. I am sure you will agree Dubbo 2009 was a great show with a real friendly atmosphere. Being way "Downunder", I don't get much of an opportunity to see as many members as I would like. I do hope to attend the odd State Championships during the 2009/2010 season and look forward to meeting more members across the nation.

### New Board members

A very big welcome to Claire Gerri of Victoria, who will join me representing Tasmania, Victoria, South and Western Australia. Welcome also to Dennis Drew. Vice President and to Neville Jones. Congratulations to Angela Newton on being reelected to the Board and in particular for taking up the reins as President. Angela brings with her vast experience from her time as Company Secretary. A sad farewell to Sally McPhee who has worked extremely hard on bringing the Rules up to par.

To Alison Lord and Amanda Sproules I thank you for the last 12 months and wish you well as you venture forth in other pursuits.

As well as Regional Clubs portfolio, I have nominated to carry the Non Traditional/ Non competitive portfolio. I am very keen to see more focus in the journal portraying paints doing different disciplines. So if you have any articles you would like to submit to the Journal please forward them on to me. This journal features a Ride Australia article. On the Regional Clubs front, Performance Paint Association of Tasmania Inc held the ever Tasmanian State Championships in January under the eye of Peter Bellden. Full coverage and some great photos were highlighted in the last Journal. Congratulations to everyone who exhibited and did Tassie proud at our first State Championships.

January also saw myself, Lee Wear and her mum, Mary, at the Melbourne Royal Horse Show. Our ambassador horse for the duration was "Nothing Too Serious" (Murph) who enjoyed his day ringside in a fantastic stable right near our display stand. Murph was absolutely intrigued by the millions of mini's as they just kept coming in hoards In February we saw the Western Australian State

Championships with another great show in the wild west organised by Kath Cluning and her show team.

March saw the Summer Sizzler and Halter Showcase with a lone filly S.L. Playin in the Sun from Tasmania strutting her stuff to represent not only the state of Tasmania for the first time ever but paints as well. In April hot on the heels of the National we had the NSW State Show at AELC in Tamworth, from all reports it is indeed a fantastic venue for both exhibitors and horses. ANZAC Day weekend were the Victorian State Championships, so it is a very busy time for our dedicated members as they venture forth in their pursuits.

As the days draw shorter and the nights a little cooler remember to "rug em up and keep em warm". Oh.....that goes for the two legged family members as well! A reminder to all Regional Affiliates that renewal fees are now due.

# ★ Youth Report ★

Congratulations to everyone who competed at the 2009 National show, it was great to see so many new players in the line ups.

We had a tremendous show with loads of fun and it was fantastic to see so many off you at our annual Youth meeting. We had some great discussion and held our Youth elections. This year we have a brand new Youth President, Lauren Louw. Lauren is super excited to be President and very keen to get involved. Lauren is joined by co vice Presidents, Victoria Egan - NSW and Stacey Bentley - QLD.

Our pancake night was a huge success and was followed up by an equally successful bacon and egg roll breaky bbq. A big thanks goes out to Penny and Geoff Louw as without their help neither would have been as successful. Pancake night saw everyone involved.....some a little too keen, which is why Amanda was banned from the canola spray. There was buckets of pancake mix and a full bbq plate of pancakes which sold as quick as we could flip them. Everyone worked really well together and it was a great team effort. The breaky bbq was just as popular with news spreading like wild fire. The demand saw Geoff returning three times to get more supplies as we just kept selling out. We raised over \$400 so a new record has been set.

I was so impressed by the level of sportsmanship displayed by all of the youth and was proud when discussing our up and coming youth with Jeannie and Delena after the show so I thank you all for being so committed to good sportmanship. Winning is a great thing but competing with the grace and sportsmanship that our Youth displayed could teach many others how to earn the respect of their fellow competitors whether they win or not. Having the grace to acknowledge someone else's achievements is a valuable skill that will serve you well no matter what you choose to do in the future.

This years highpoint winners were Stacey Bentley for our Junior Youth and Lauren Louw for our Senior Youth, both

girls did incredibly well to earn the titles what with such a high standard of competition. Our encouragement awards went to Maddie Lane for the Junior Youth and Emma Moran for the Senior Youth. It was Maddie's first National show and she really put in a huge effort, Emma also had a great show, both showed lots of potential so we are confident that we continue to have a great pool of talented horse people coming through the ranks. Maddie Lane was also lucky enough to be snapped and put in the Dubbo paper which looked great.

Our Youth didn't just mix it within their Youth classes either, we had quit a few across the board in open classes, competing against trainers and adults, showing all that our future based on the up coming talent is looking great. Special mention and congratulations to William Hupp who showed us a couple of years ago that his talents were not being wasted on his yearlings.....again he has come through with a big win in a very coemptive field of yearlings to take out the Yearling Versatility.

Well with the National show out of the way we see the dusting off of our winter woollies and I hope you all dodge the cold as much as possible.

Remember to get all those points in for the end of year honour roll if you're chasing an invitation to apply for the next World Youth Team. Wont be long and winter will be over and we will be fast heading for Christmas. Time seems to fly by faster and faster each year.

Look forward to catching up with you all soon

# Brandy and Melitas story - Back in the Saddle

As I sit to write this story my Brandy is not doing too well. Her prognosis is not great, we are waiting on another set of bloods but I don't think it will be different.

As with most things in my life where timing is short, I have been asked to do a little story on Brandy and her enrolment in the Ride Australia Program.

Brandy came back into our lives around 6 yrs ago. We had heard that she was up for sale and was still with the person that we had sold her to. Peter my hubby, was over the moon as he had always loved this mare and was a bit miffed at me when we sold her to go into breeding Shetlands.

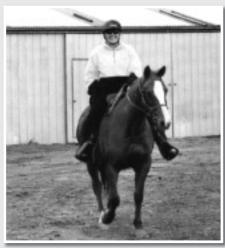

The weekend my daughter and I went to have a look, it was very cold and had been very wet, normal weather for June. Brandy hadn't been ridden for some time but Lisa threw the saddle on her and my inexperienced daughter got on and went for a ride down the drive and back with the biggest grin on her face. I wasn't riding due to an old accident that had broken my confidence as well as few bones at the time. We went about organising to buy her and arranged to pick her up. It snowed, and boy did it snow. Roads were shut. We rang Lisa and she said we could get in and out, so off we went. Brandy loaded fine but we did have a few heart stopping moments driving through drifts of snow on the way home.

Brandy was looking pretty good so we decided to show her at the October Hobart Royal. We were extremely pleased as she came home with Champion Paint Mare and got second to Astrakhan and

Theresa Booth (now Hutcheon), who can present horses like you wouldn't believe, in the Best Presented and won Best Tasmanian Bred Paint.

This is where Brandy's floating woes started. It took us almost 2 hrs that day to get her back in the float. From there we had good days and some very, very bad ones. This stopped us from taking her places after a while. I still hadn't got back in the saddle as yet either. My good friend Christel gave me a good shaking one day, "you've got a good horse in the paddock standing around going to waste, get on her!" Well another year went by and I still hadn't got the gumption up. Christel basically dragged me to her place and put me on her old Appaloosa gelding Jed,. I was so nervous, and my hands were shaking so much I could hardly hold the reins. I felt like I was going to pass out as we headed off, but once on the trail I was fine. Well that one ride got me going. I floated Brandy to Hobart and we went on a 10-mile ride at 5 mile Beach. Nothing like jumping in at the deep end, which Brandy showed me she could do with me on board.

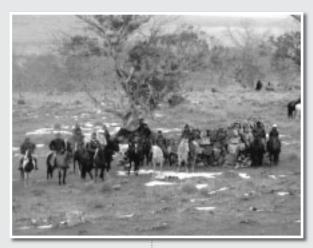

Next Christel came all the way North with her horse Tommy for the Annual Tasmanian Mountain Cattleman's that was being held close to home. We decided to get my confidence up we would go for a ride the day before. We galloped, we cantered up and down hills we explored trails. 4 hrs later we walked the horses home. Next day we turned up at Four Springs Reserve, I had never seen

so many horses or been so saddle sore. I started shaking once again. Once up and on Brandy my nerves settled as normal, I sat and watched in amazement as almost 500 horses and riders headed out. It was too much for Christel's horse who had only ever seen that many animals in one place before when herding cows. It was funny seeing this little Standy, rearing, waving his forelegs in the air as if to say "yee har mummy lets go". 5 hrs later we returned, Brandy had put up with horses up behind her, kicking at her, crossing water, walking over logs and horses passing going a bit guicker to catch their mates, all with no fuss what so ever.

It was also where my now famous saying started stating "my horse is so fat she makes me look thin and I love her for it" as along the ride she got known as the fat chestnut mare, later old got added when people found out how old she was and were amazed at how well she looked.

Again we had trouble getting her back in the float, but a friend came and gave us a few pointers and she went in really well in the end. Next ride was the Highland ride at Great Lakes organised by the Southern Appaloosa Club. I used the tools that I had learned previously and Brandy went in the float fairly well. I have never had so much fun and been so well looked after as what we all were on this ride by Pam Jonesand her family and friends. Brandy 5th from the left Highland ride lunch stop complete with snow near the coldest place on earth Liawenne. Also in picture 2nd from left Lydia Hantke and Sunline Cassie's Dream and 2nd from right Cheryl Green and Deckline Bandit.

The ride was truly awesome. When the next one was organised at Claireveaux by the same people you would have had to cut off my legs to stop me from going. Again trouble getting Brandy in the float. The things we had learnt before was not working. When the next ride was organised at Tor Hill I was actually very frightened to load this mare by myself. That day it took 3 hrs to get her in and I finally gave up trying by myself and called a friend in to help. He got her in but it was a struggle. Another awesome ride but I was dreading the float bit to go home.

Luckily there were cattle yards and we popped her in a race and with the help of two others she went straight up and into the float like an old pro. The ride was truly awesome. When the next one was organised at Claireveaux by the same people you would have had to cut off my legs to stop me from going. Again trouble getting Brandy in the float. The things we had learnt before was not working. When the next ride was organised at Tor Hill I was actually very frightened to load this mare by myself. Another awesome ride but I was dreading the float bit to go home. Luckily there were cattle yards and we popped her in a race and with the help of two others she went straight up and into the float like an old pro. From there, there were other rides and difficulties in loading and in the end I gave up. So we decided to breed Brandy. We looked and looked and couldn't find anything we wanted to breed her to until we came across Kaylyle Calibre. We organised to go look at him and meet his owner Mark Berwick of Bear Claw Park. I felt so comfortable with these lovely people and we have since become great friends going on many rides with Mark on his lovely QH mare Lucky and his daughter Jess on her lovely Paint mare Super Sally. We warned Mark about Brandy's floating problems and he said he would work on it and work on it he did! Whilst Brandy won't load without a rope around her bum we can now load

her. Unfortunately after two seasons at stud and Brandy not getting in foal we decided to call it a day and let Brandy do what Brandy does best, be my trail horse.

At this time I realised that Brandy hadn't been transferred over to us with the PHAA so we went about getting that all sorted and at the same time came across the Ride Australia Program.

What a great idea I thought for those who don't show and those that do to gain points just for riding their paint. So I signed up. Unfortunately due to Brandy's age and a few hiccups we didn't get her transferred over very quickly so some of her earlier rides are not recorded.

I think Brandy's greatest achievement was recently at a Fun Day where she and I became the oldest Beginners. She came second in a Trail class, 1st in a Log Race (bit like bouncing pony) 2nd in bending and a 1st in a clothesline challenge, coming home with a broad ribbon. Brandy and I have managed to accumulate 51 hrs in the saddle together since signing up for the program but of course have done many more before hand.

# Thank You...

### HI ALL,

We just wanted to drop you email to let you know how much we enjoyed our first National show. Maddison competed on Woodie in the Junior Youth events and she went very well. Every one was very friendly and helpful especially Lee Wear and Amanda Sproules.

We turned up at Dubbo knowing next to nothing (did not even know chaps were mandatory, but no worries, Chris Seccull lent hers to Maddie!) and left knowing a hell of alot more and very happy with our new "family".

To top off a great week Maddie was awarded the Juniour Youth Encouragement Award. You could not take the smile off her face, the only thing that topped this for her was that Meredith and Rob Rehn let Maddie ride Garth Brooks in the arena on the Monday after the show, NOW THAT WAS A HAPPY GIRL. This was the last proof that the Paint Horse people are amazingly friendly and lovely.

Thanks to all who organised the show and the competitors and everyone in general, we had a fantastic week.

Cheers - Melina & Maddison Lane

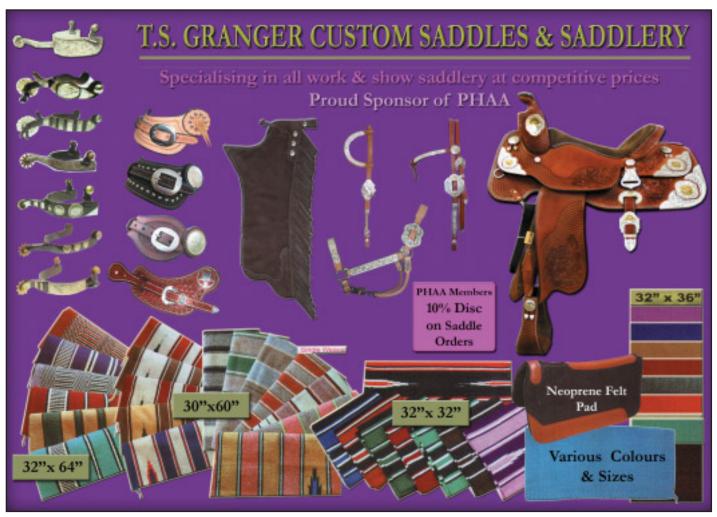

# What a Great Show!

Hi my name is Troy Vale and I would like to tell you about Dubbo PHAA Nationals 2009.

Mum drove me to Dubbo for my first Paint Horse National Show. I could not ride my horse Pearls For Loot in the youth classes because she is a paintbred. I went to watch my friend Maddie Lane on her horse Woody (Twin River Hollywood King). It was her first time too. We stayed for 3 days and cheered her on. The night time barrels and reigning were fantastic. The people were really friendly. I even saw Wizzs Ringer. MY DREAM HORSE. The Nationals taught me a few things and I am hoping to ride there next year.

Thanks Troy Vale and Pearl

# 2009 National Show REPORT AND WRAP UP

Well it's all over and what a great event it was, the flower boxes and banners have been packed away for another year.

I have always considered my self a worker, always volunteering to do my share, I feel I pull my weight and with this thought in mind I would like to start my list of thank you's with a big thank you to all those before me who have Coordinated National shows. It's a big job, much bigger than I would have ever guessed but is made so much easier with the years of refining the formula. What with the experienced staff, local knowledge, refined work practices and great have volunteers really experienced the benefit of the continued improvement of the National Show formula, a little improvement each year, always striving for

Machine where the pumps of intriguition welcome in the pump interior welcome in th

another great show! While I have always believed I have known how much goes into a National show now I know to double it then add some. With that out of the way I'd then like to thank all our staff, Board members, volunteers, Show Team, competitors, sponsors, Judges and spectators. All of who make up our National show, it's amazing to see all these people work together to deliver the best possible show they can with the facilities and resources at their disposal. Job well done everyone!

On to a run down of the show, the show started Monday, with Trail and Dubbo put on its best weather for us. Warm and sunny....things would turn nasty a few days on but at this stage it was great. Our judges arrived and we were off and racing, we had restructured the program around to try and ensure a better flow to the competing, I think this worked well but we are happy to hear any feedback we might have missed. We got through the morning well and even had time for lunch before the AGM. The AGM had a lot on the agenda and it took much more time than I thought so the work shop was held over. All in all the AGM went well and I'd like to thank all our members that came for attending, it's a much easier task to crew a ship if you know where the passengers want to go.

Tuesday – COW DAY – as I like to call it, turned out to be a great day, we would have liked to see more entries but all those who did

compete had a great time.....and now I know the secret to blending in with the cutters I'm ready for next time! Seems to be a heap of standing and staring at cows while chatting to the person next to you, I practiced with Dave Egan so we will be ready next time to maybe get close to a cow.

Wednesday / Thursday and we saw the rosettes and runners come out for English days, everyone had a ball with the continued good weather while we sat on chairs in the sun or the shade.....yes we got a choice and it was lovely. It was a lovely mix of indoor arena and grass arena time. All seemed to be going well, event times flowed and there was laughter and smiles to be found everywhere. Good horses, good people and good weather......but was it all about to change?

Friday and this is where Dubbo turned on us......and down came the rain just in time to get serious for the Halter Futurities'...not fun at all! Even with the rain we still had a great night and an impressive line up for our international judges to judge. The night was only made better by the opportunity to grab some hot pancakes which were cooked and flipped by our up and coming Youth. Mmmmmmmm

Saturday, and you would have thought we had enough rain but it kept on coming in intermittent showers. This didn't dampen any spirits though and like true Australian's we just laughed it off.

Sunday saw the rain clear so we could wrap up our last day trekking mud up and back to the arena but it was still fun and we still had that Aussie spirit holding strong. The rain held off enough to drop some tents and awnings so all wasn't that bad.

I have brushed over the results as you can see from our result pages as to what went on in the way of placings but I can tell you all that it was a good Nationals, with a heap of laughs and some really impressive horses. All in all a success for the members and the association no matter where you ended up in the line up.

Throughout the show we once again awarded the special APHA sash to the highest placed APHA registered horse in each Futurity. We aimed to announce these when awarding the classes but this did not always run smoothly. It has been brought to my attention that we missed out awarding the highest place APHA registered horse in the 2 year old Hunter Under Saddle event, this was awarded to Zip N In Loot owned by Richard & Cynthia Williams and ridden by Emma Tagget. I would like to apologise for this not being announced on the night and congratulate Richard and Cynthia along with all those who also were awarded this special APHA sash in their classes.

We had a huge response to the presentation night which was great as it gave everyone a chance to swap stories, laugh a little more and even dance around a bit. High point winners were awarded and we had one last chance to thank everyone who came together to create the event we called the PHAA 2009 National Show.

Just a quick personal note, I'd like to thank my personal Team that kept me fed, looked after my pony and made sure I got to sleep so I could be running around throughout each day and night, so Nanny - Team Manager, Shane — Apprentice & Appy Girl, Roxane - Carney Squirrel, Raelene - Goddess and Mel - trusty sidekick—thanks I would not have got through without you guys!

The National High Point Awards are calculated under the recommended HSAA Point Score System (rule 71), and I regret to advise that some errors in calculations

As the 2009 National Show Coordinator I would like to apologise to both, the competitors who were incorrectly awarded highpoints at our presentation night and those who missed out on receiving their

Yearling Versatility - RD Dolly Parton

meant we awarded three awards incorrectly. As a Board and a show Team we aim to run the best show possible and minimise any errors, this however doesn't always work out and for this I sincerely apologise.

The PHAA Board recognizes that while this was an unfortunate error, we have no other choice than to uphold the integrity of taking the correct actions to rectify any errors that we become aware of and while this is sometimes the more difficult line we believe taking any lesser action would not be acceptable to our members.
