News from Premier State!

A plan was hatched at the 2011 NSW State Show to promote our Paint Youth and Paint Breds: The money raised from the cleaning of stables would go towards a Jackpot at the 2012 NSWPHA State Show. We ended up raising a huge amount of money to be split between the Youth and Paint Breds.

Real Deal Paints and the NSWPHA would like to thank all the generous people who donated their stable bonds, without them this would not have been possible. Also a huge thank you to the members who cleaned their own stables and still donated their stable bonds. The overwhelming generosity of all these members really show what makes our breed so special.

A special mention to a small band of helpers who spent many hours cleaning: Nick Katsoulis, Sam Azzopardi, Will and Katrina Hupp, - we could not have done it without you. NSWPHA would like to add to the thank you list by thanking Arthur Hupp who came up with this brilliant idea and was the driving force behind it.

The Jackpot will work with half the funds raised going to the Youth and half going to the Paint Breds. Every horse and youth that competes in the selected classes will be put in one hat and all the selected events into another hat.

The hats will then be drawn at the Highpoint Awards dinner night. One horse/youth gets drawn; and one event gets drawn, if the horse/youth won that class then the jackpot is won by that horse/youth. If the drawn horse/youth didn't win that class the prize will jackpot to next year NSWPHA State Show. RD Paints will proudly sponsor a buckle to the jackpot winner and a consolation buckle to the horse/youth which was drawn and did not win that class to claim the jackpot. A Jackpot for Amateurs will be included for the 2013 NSW State Show.

Nominated Classes: Youth (Snr./Jnr.) - WP, HUS, Trail, Showmanship, Western and Hunt Seat Equitation and Horsemanship; Paint Breds - Led Trail, HIT, Lungeline, WP, HUS, Trail and Western Horsemanship. There will be no extra fee to enter these jackpot classes.

GOOD LUCK ... AND HAVE FUN ON YOUR PAINTHORSE.

If you have any enquires regarding the jackpot please phone Arthur or Sharon Hupp on 0263 759675

Important dates to lock into your calendar - NSWPHA 2012 State Show, our show will be held from the 9th through to the 14th May 2012 at SIEC. Come join us, you won't be disappointed.

Also keep checking our web site www.nswpha.com.au for the sale of our \$3000

Weanling Slot class proudly sponsored by Smith Creek Paint Horses!

Editor's letter

Here we are again,

the year is rushing on by, September already. The only good thing about the year going so fast is we get to the breeding season quickly. We see the previous years planned breedings arriving with the birth of beautiful babies.

We have another great issue full of all the show results, stallions and informative articles to assist members.

Next issue deadline is the 1st November so please book ads early. If anyone knows of Paints out there competing in open company please drop us an email so we can do a story on them. It is always great to see the coloured horses competing with the best.

Take care for now

President's Report

Hello again,

It certainly has been a busy time for me with my commitments to the PHAA and its members. The first question that our show competitors will be asking is "when will the 2009/2010 Honour Roll Points Audit be complete and new Honour Roll listing provided for our members?" This has been a major undertaking and I would not recommend that the points recording ever be taken out of the office or done by volunteer members again. The amount of work and commitment needed far exceeds a healthy commitment. There have been considerable corrections needed to be done and with no exaggeration the number exceeds five to six hundred. We anticipate that the Honour Roll will be presented to the members for their inspection by the 20th August 2011. Whilst I have not enjoyed the process it has certainly given me an understanding of what the PHAA can do to streamline our points recording process. There are issues with our members and how they submit their points for recording and there will be an ongoing education program to help our members correctly submit their points. All approved shows from the 1st of August must submit their approved show points on an approved PHAA electronic points format, there are various ways that Regional Clubs have been submitting the points.

Rule changes for points recording

After undertaking the audit we have become aware of where we can make things better in relation to how the rules are written. Unfortunately there will be considerable rule changes to be considered by the Board to help members understand where they can and can't achieve points when showing their horses. This is needed to give our members confidence and to improve the efficiency of our points recording. Once we have completed the Honour Roll Audit there is another major task to amend the awards (ROMS, SUPERIORS, CERTIFICATE OF EXCELLENCE ETC) that may have been awarded to our show people inappropriately.

We anticipate the current Honour Roll year will be close to completion in the second week of September, 2011. As you may or may not understand, members and affiliated clubs approved show results have 30 days from the day of the show to submit the show results to the PHAA. This will allow approximately two weeks to finalise these results and administer the 2011 Honour Roll report. I will be assisting with the finalisation of the current Honour Roll year to ensure that it is done effectively so that we can move forward to the new show year we have just begun. The process of the Honour Roll audit and the past year was enabled through the help of the Directors. It has enabled us to train two out of the three PHAA staff in the points recording process. They have had first hand experience with guidance in responding to questions and rectifications of errors that we have become aware of in this process. I am confident in the future that the PHAA office will be able to attend to the points recording in an efficient and effective manner thus satisfying our members who deserve to be rewarded appropriately for the time and effort they spend showing and promoting their paint horses.

I have some positive news for all our Youth and Amateur Owner competitors. I had authorised our points data base programmer Derek Reed to undertake additional work to provide an Amateur and Youth points search facility. As I am writing this report we have a trial system. This will allow all our Amateur and Youth competitors to search online their own individual accumulative points, which I am sure they will be appreciative of. We have also engaged Derek to provide a new facility to record genetic markers for our stud book which will enable members to go online

and identify the horses genetic makeup and make informed decisions to achieve their desired result for breeding purposes.

As you are aware it is now breeding season, I'm very grateful for the ongoing support of the stallion owners who have committed their stallions' service to be sold at half price for the Youth Incentive Sires Classic. I first introduced this event in 2005 and had always hoped that it would be an ongoing event providing funds for our Youth and Youth Team to attend the Youth World Games and incentives for our stallion owners to be involved with the Association. Currently we have had approximately 25 stallions commit and again look to raise similar funds that have been raised in the past years. The YISC event has now become part of our PHAA and I look forward to evolving where necessary and being a draw card for the events that are offered at the National Show alongside our other PHAA Futurity events.

Please take note there are considerable amount of rule changes enclosed in this magazine. I understand almost every time you look in the Journal there are proposed or immediate rule changes and I sympathise with you the member as sometimes it is hard to keep track of the changes. The PHAA Board believes that these rule changes are necessary for the betterment of our Association but will endeavour where possible to reduce the amount of rule changes and to only introduce them effectively once a year after we have received feedback from you the member.

Craig Denegate
PHAA President

Office News

Hello All

What a year it has been, it's flashed by so quickly and has been so busy for everyone involved with the Paint Horse Association.

The office is functioning smoothly and handling all paperwork as it is received in the office within minimal time frame.

Just a reminder that memberships expired on the 30th of June, a membership reminder is in the process of being done and sent out. Please make sure the office has all the correct addresses and phone numbers for memberships.

Please note when sending in paperwork that it is on the new current forms and with the new fees attached. Also check all paperwork is filled in correctly, contact the office if help is needed with filling in your forms. When completing a registration application make sure that it is all filled in, including date of birth, sire and dam details are filled in.

To all members who use Facebook please note that the site is to be used for discussion and notices. If making a comment on Facebook it needs to be professional and factual as some comments may offend

members. The Paint Horse Facebook page is to only be used by current Paint Horse Members.

Agenda items that members have and would like to send into the office for Board meetings need to be in the office 21 days before the Board meeting. If gelding amnesty applications are being sent in they need to have a veterinary certificate and the correct fees paid to the office.

Amateur Report

The Amateur portfolio has been active and progressing well since my last report. The first major fundraiser, the Amateur Raffle is now completed. I have pleasure in announcing a profit of \$3542.75. Everyone who contributed to the fundraiser by selling tickets and buying them needs to be congratulated. Thank You to every one of you. The winners were well spread out with the major winner George Norwood in Queensland \$500 Bunnings Voucher, Jan Mair Victoria \$300 Woolworths Voucher, Jo Ralston NSW \$150 Myer Voucher and the \$50 Darrell Lea Voucher went to Linda King from Western Australia. Congratulations. Great result!

Our next fundraiser scheduled to start soon is the Trainer Service Auction. Individuals or clubs will be able to bid for a Trainer offering their services. It may be a lesson, a days training, a clinic or something similar. In return the trainer may be introduced to future clients and receive advertising via the Amateur portfolio. This will also introduce members to some of the Trainers within our industry that are available to them. It is hoped to start the Auction bidding in October. More information will be available soon. Please keep an eye on the website and facebook page. If you have a Trainer you would like approached please contact myself or your State representative.

The Amateur Newsletter naming contest has also been finalised. All suggested names were passed onto the President Craig Denegate and Vice President Helen Bentley to vote on. It was decided the winner was "Amateur Matters." Congratulations to Megan Savill who kindly asked that her \$50 prize be put straight back into purchasing more tickets for the raffle. So keep an eye out for the next issue of "Amateur Matters" coming soon, because Amateurs do matter!

The Amateur meeting held at the Queensland State Show on 23rd July was very well attended. 27 Amateurs and two open members were present. Paul Lorimer, AQHA Director for Show

and Performance, was invited to attend to answer questions on Rule differences and implications for our members showing at AQHA shows. Concerns have been raised by the rule differences and the possibility that PHAA Amateurs may not be eligible to compete in Amateur classes at AQHA shows. This could create problems for PHAA competitors given many of the shows attended are run under AQHA rules, including NPHA, Halter Show-case and other major feature shows within Australia.

Shirley Sommer

After much discussion and clarification at the meeting the Amateurs present decided to move a motion. "That the PHAA AO Rule is amended to align more closely with the AQHA AO Rule; and that PHAA AO's must own or lease a horse to show in either Open or AO Classes or be family to the horse owner. To show a leased horse, a lease must be a minimum of 12 months. Furthermore the amended PHAA AO rule is to apply as from 1 August, 2012 and not be retrospective". All Amateurs present then voted unanimously for this motion. Full minutes for this meeting are available on the PHAA website. A proposed rule differing from the above is printed in this Journal. Please consider carefully both options and forward your input as soon as possible. Should you wish to discuss anything, please do not hesitate to contact me.

Looking forward to announcing the Hi Point winners in the near future as another show season draws to a close. Good luck for the foaling season, the next show season already upon us and the year ahead for all.

Stay safe and enjoy your Paints.

Shirley Sommer

Amateur Spotlight

Welcome all to our first "Amateur Spotlight" for this year. I would like to introduce you all to Tracey Whitton from Western Australia. Tracey is the Amateur Representative for Western Australia. I thought this a great opportunity to get to know her a little. Thank You Tracey!

1. Where do you live?

Kelmscott, Western Australia

2. Who is your current Paint Horse?

Doc's Hot Sox - 9 year old Paint bred gelding whose great grandfather is Doc's Freckles Oak.

3. How long have you been riding Paint horses?

On and off for about 26 years.

4. Who was your first Paint horse and when?

I had a big gelding called Sundance in the mid 1980's and I used to ride my sisters mare Society Fluker.

5. What is your favourite event and why?

That's a hard one but I really love Working Cow Horse.

6. Boots, Heels or Thongs?

I have a soft spot for both boots and heels as I own about 300 pairs!

7. What couldn't you do without?

My F250, my horse and my husband.

8. What is a typical day for you?

Up at 5.00am and off to work at the Health Department than at finish time off to where my horse is to work and feed him.

9. Who inspires you within the horse industry?

There are so many great trainers and riders out there at present, I think the most important thing is to always have a go and enjoy what you're doing and never give up.

10. Name your most memorable achievement.

I think my most recent wins of Hi Point Amateur Owner at the WA State Championships in April and then winning Hi Point Amateur Owner the next day at our open show!

Directors Report

G'day to all PHAA members

I think that everyone is like me and looking forward to the warmer weather that we can hope comes with Spring. It has been a cold wet winter in Tassie, and many days have been spent curled up warm in front of the fire. It is also a wonderful time of the year though for the birth announcements of our next generation of Paint horses, with foals being born and many of us excited to see all our hope and dreams take form with our treasured Paint babies hitting the ground.

I attended my first Board meeting in June, which was a great experience. We discussed many issues and from these interactions I am confident this Board has the best intentions of the PHAA, as a whole, very much at the forefront of their minds, and hearts, when issues are discussed and decisions made. It certainly is a very passionate group of people, and I very proud to have them represent me as a member.

Very soon we will see a draft for the 2012 National Show events. It is shaping up to be spectacular event, and I know fellow Director, Helen Bentley, has worked extremely hard on a program which is cohesive and flowing, while benefitting horses, handlers, trainers, families, spectators, and abiding by venue conditions. Not an easy task I tell you! Mal Hume and I, as fellow Directors responsible for the 2012 National Show, are very happy with the program, and I am confident you, as the members, will be too.

All members who are involved with Regional and Affiliated Clubs, renewals are due now for affiliation with the PHAA. So please, remember to keep your paperwork up to date. At the last BOD meeting a motion was passed that all Regional/Affiliated Clubs now need to submit all meeting minutes to the PHAA Office. Also, don't forget Regional and Affiliated Clubs have some great entitlements available to them thru the PHAA, so, if you want to know more about this, feel free to get in touch with me!

Finally, congratulations to all those recipients of Regional/Affiliated Club High Point Awards. It is always lovely to receive something to recognise your achievements at a personal level, but also know that the PHAA also appreciates your efforts in promoting our wonderful breed. But honestly, you don't always need to win a class or receive an award to be a winner. My reward is each moment I spend with my chosen breed and the people that it brings into my life – that truly is the greatest reward.

Happy days folks,

Lydia Hantke
Regional Clubs & Registration Committee

Journal Report

Helen Bentley

There are a lot of notices and information to read in this journal including proposed rule changes. Please read them carefully and send feedback to the Board so your opinions can be considered at the next Board Meeting in October.

At the previous meeting I gave an overview of how I would like the Journal to look and the last Journal was fairly close to this. Lots of Colour! Plus an interesting article. The State Shows are allowed three pages of content which limits the printing of full results. Photos of the Champions at Halter,

Futurity winners and Hi Pt winners and any other feature classes could be included along with a short story. If there is any space left over additional photos or a Sponsor list and logos could be added.

The Honour Roll will be printed in a shortened form twice a year but the website will have the full Honour Roll which is updated regularly.

Care is taken to ensure show photos and results are right but if a correction is required you have 60 days to let us know of the mistake so it can be printed properly in the next Journal.

Journal Rule Changes

from Board meeting 21st - 23rd June 2011

Immediate Rule Changes as of 1st of August 2011

That all Affiliate/Regional clubs are required to send all meeting minutes to the PHAA Office. This will be noted on the 'Regional Clubs Application for Affiliation Form'.

Rule 204 (b) to read:

Show results of approved State Shows and the National Show will be published in the Paint Horse Journal. State Shows results/reports are limited to 3 pages. A period of sixty (60) days from the date of publication will be allowed for a correction of printed show results. After that date, no request for show result corrections will be considered.

Explanation – Bylaws are printed in the PHAA Journal for member's information and are generally self-explanatory. PHAA Board uses these Bylaws or Policies to help administer the Association.

Rule 204 to include:

204 (c) All approved State Show results need to be submitted electronically to the PHAA office on the PHAA approved State Show results form (ELECTRONIC FORMAT). This form can be supplied by the office on request. Also see rule 204 (a).

Explanation – The PHAA currently accepts show results from approved shows in different formats. The PHAA have a view to make points recording more efficient, show results received in the same format will assist with this process.

Rule 206 (A) which will now read:

Points will only be awarded from multi-judge shows on the following basis –

(a) Show must be run under the rules of the HSAA or AQHA

(b) All judges shall be accredited as per rule 212

(c) Multi-judges shows are limited to 3 judges (exception – additional judge/s may be used for judging of trail classes)

Explanation – It has been brought to the PHAA Board's attention that the Australian Quarter Horse Association are now running multi judge shows. The existing PHAA MULTI JUDGE RULE states that all multi judge shows must be approved by the PHAA. The rule change above allows PHAA members to receive points for non approved shows as long as the show meets the requirements set out above.

PROPOSED RULE CHANGES

Amend all references to 'registered shows' to 'Approved Shows' within PHAA Rule Book

Amend the proposed rule change of 112.

Rule 112 to be amended to ensure DNA of mares is finalised prior to breeding.

New rule 112 to read:

(a) All filly foals born from 1st August 1999 must be parentage DNA tested before the filly's progeny can be registered with the PHAA. A veterinarian may attend to collection of the hair sample or the owner agent provided the owner/agent completes a statutory declaration in respect of the identification of the filly/mare.

(b) Fillies/mares will require;

(i) ALL fillies/mares born from the 1st August 2012 are required to be parentage DNA tested before registration will be completed.

Explanation – As all breeders should be aware that the recording of DNA results is an important requirement to ensure that the parent validation of PHAA registered horses and the integrity of the breed. On occasions PHAA Board have had requests to register horses where the opportunity to obtain DNA results has been lost. Eg: mares dying during foaling, mare disposed of before registration of foal has been processed. By introducing the DNA testing of breeding animals before they are mated it ensures the breeding stock cannot produce resultant progeny without being DNA'd.

To amend rule 114 by removing item (g)

Explanation – This is unnecessary as all horses are dna tested.

Amend Rule 201 (a) remove '60 days' and insert '30 days'

Amend Rule 203 remove '20 days' and replace with '30 days'. Final sentence to read **'if results of the show are received after thirty (30) days then a penalty fee will apply'**

Rule 206 PAINT-O-RAMA (multi-judge shows for PHAA Registered horses only): Amend (a), (b), (c), & (d)

Explanation – reference to muti judge shows changed to read Paint-o-Rama this is to stay in line with change to rule 206(A)

Amend Rule 217

Category 3 – add **Breakaway Roping, Heading, Heeling and Team Roping**

Category 7 – include the phrase **'on horseback'**

Category 8 – amended to include **led hunter (show hunter or hunter hack) and ridden hunter (show hunter or hunter hack)**

Category 10 – amended to include **Hunt Seat Equitation**

Category 3 – Cutting **(we do not accept points for 2 handed cutting)**

Campdrafting **(only 'finals' results count, not heats or go rounds. We will not accept points for 'Greenhorse' campdrafting events)**

Explanation – Introduction of wording to enable a clearer understanding of what classes are appropriate to award points to in categories listed.

To amend rule 236 to include: 236 (A) Youth Trip: If Youth do not meet the selection criteria, they cannot be considered for inclusion in the official PHAA Youth Team.

Explanation – Not actually a rule change but an explanation of the rule.

236 (C) Youth Halter

Youth Halter classes are to be judged in the same manner as Open Halter Classes, as described in rule 231, with the exception of Youth Stallion classes, which are not permitted. In order to obtain PHAA points, Youth Halter classes must be closed to PHAA registered horses with showing rights. Mixed sex classes will not receive points, exception being Supreme Champion.

A Youth may only exhibit one horse in a class. More than one horse may be exhibited by one Youth, provided that each horse is exhibited in a separate class. Should a Youth qualify more than one horse for Champion, Reserve Champion or Supreme Champion, then that Youth may only show one of the qualifying horses and the other horses cannot be shown by any other exhibitor or considered for these awards

Halter classes to be judged:

40% conformation

20% suitability

20% soundness

20% action

Recommended classes –

(The following classes are recommended for approved shows)

Youth Filly/Mare 2YO & Under

Youth Filly/Mare 3YO

Youth Mare 4YO & Over

Champion & Reserve Champion Youth Mare

(Note: spayed mares are ineligible to compete in mare halter classes)

Youth Gelding 2YO & Under

Youth Gelding 3YO

Youth Gelding 4YO & Over

Champion & Reserve Champion Youth Gelding

Supreme Champion may be awarded

Explanation – Youth halter is becoming popular; it is appropriate to have youth halter rules in the PHAA rule book to compete under.

236 (D) Limited Youth Membership

A reduced membership fee will be allowed for Junior Youth (10 years & Under) with limited showing rights of Showmanship, Youth Walk/Trot & Youth Walk/Jog and leadline. The membership card will be noted accordingly.

Explanation – To explain conditions of limited youth membership provided by the PHAA.

To amend rule 237. AMATEUR ACTIVITY PROGRAMME

Only current financial members are eligible for PHAA amateur status. All exhibitors in amateur classes are required to hold a PHAA amateur card. All horses shown in amateur classes must be registered with the PHAA. All horses shown in amateur classes must be registered with PHAA in order to obtain association points and awards effective 29.08.04. The horse or horses used by an amateur participant must be owned or leased and registered wholly or in part by the participant and their name must appear on the horse's registration certificate. **The minimum lease period for any horse for any Amateur competitor will be 12 months.**

(i) Refer also rules 217(h) and 228(b)

AMATEUR QUALIFICATION: To qualify as an Amateur exhibitor with the PHAA, an individual must meet the following requirements:

1. Age. An individual is considered an Amateur exhibitor when he/she is no longer eligible to show in the Youth program.

For Amateur eligibility purposes, the age of an individual as of August 1 will be maintained throughout the point scoring year.

2. Remuneration restrictions.

- i) For a period of 36 months (three years) prior to the date of an application for Amateur status is received in the PHAA office, an applicant may not have shown, ridden, trained or assisted in training (led, ridden or driven, **halter or performance**) a horse for remuneration, either directly or indirectly; not received remuneration for instructing another person in riding, driving or training a horse; nor received remuneration for instructing another person in showing a horse in competition (**please note, this includes their period competing as a Youth member, where applicable**)
- ii) An individual may not have shown, ridden, trained or assisted in the training of a horse for which the individual's spouse, at the time, accepted any form of remuneration, either directly or indirectly, for training, assisting in training, or showing of said horse in competition for a period of 36 months (3 years) prior to the date an application for Amateur status is received in the PHAA office;
- iii) **Entry Fees.** An individual who has had the entry fees paid would still be eligible for Amateur status. Payment of entry fees by someone other than the immediate family shall not be considered remuneration unless entry fees were paid for service rendered;
- iv) **Amateur status.** Amateur status may be maintained only by continual refusal of remuneration;
- v) The following activities shall not affect the amateur qualification of an individual –
 - (a) The writing of books pertaining to horses;
 - (b) Accepting remuneration for judging or stewarding;
 - (c) Receiving prize money;
 - (d) Having the occupation of farrier, veterinarian, thoroughbred trainer or trotting trainer;
 - (e) Owning or operating a saddlery, stud or breeding farm or boarding stables.
- (a) A card will be conditionally issued on payment of fees any points earned from this date will remain valid, providing the application is approved;
- (b) Applicant's name will be printed in the journal following issue of card and will be approved if no protests are lodged within a four (4) week period after printing;
- (c) Protests will be heard by the Board of Directors and if successful, all points previously earned by the applicant will be forfeited;
- (d) The Board of Directors has the authority to deny the acceptance or the continuance of a member's amateur status if it believes that the applicant does not qualify under terms of rule 237 (i);

- e) Points are accumulative towards PHAA Amateur Champion, Superior All-Round Champion, Versatility, of Register Merit, Century and Superior awards on any number of horses over any length of time.
- f) Points toward Top Ten Amateur, Amateur Owner Honour Rolls and High Point Awards at approved shows are calculated on a one horse/one rider basis. Where an Amateur shows different horses, then those horses points will be tallied individually.
- g) Amateur points earned on Paint Bred Horses will remain in their own Honour Roll Standings.
- i) College or University owned horses. Students that are eligible to compete as Amateur or Novice Amateur can show a College or University owned horse or horse that is on loan to the college or university in Amateur, Novice Amateur, Masters Amateur competition provided the eligibility requirements of Rule 237 (i) are met by the individual student. If the horse is not owned by the college / university, written evidence must be provided to the PHAA stating that the horse is on loan for this purpose
- j) Sponsorship may be received by Amateur Owners. It may not be direct remuneration. It is strongly suggested that Amateur Owners receiving sponsorship outline details of their sponsorship agreements and/or contracts to the PHAA Office.
- k) Any professional ceasing professional status, with the aim of becoming an Amateur Owner, needs to notify the PHAA of the date that they have ceased their professional status, in writing, as soon as possible after the cessation of professional status

Moved Craig Dengate Seconded Lydia Hantke

For the motion: Craig Dengate, Jeffrey Hall, Malcolm Hume, Lydia Hantke

Against Shirley Sommer, Helen Bentley, Sally McPhee

(Sally McPhee supplied proxy vote)

4 for, 3 against, motion carried.

Explanation – PHAA Board has received correspondence with relation to the amateur owner qualification and the requirements. In consideration of the information received up until the date of the June 2011 Board meeting this proposal was put forward and voted on for submission to the PHAA members for comment as per the appropriate procedure for rule changes. There have been some minimal changes to the rule. The qualification to be an Amateur has not changed. A Lease period, sponsorship agreements & a note regarding youth have been added. The PHAA has the largest proportion of amateur owner members per membership across the three western breeds. Because of the importance and the potential impact of the proposed rule changes the PHAA Board encourages you to take the time to read the rule change proposals and respond to the Board as you see needed.

TO INCLUDE THE FOLLOWING IN THE BYLAWS, POLICY AND GUIDELINES DOCUMENT.

NOTE: PHAA registers horses on phenotype not genotype.

Explanation – Bylaws are printed in the PHAA Journal for members information and are generally self explanatory. PHAA Board uses these Bylaws or Policies to help administer the Association.

An Open letter to the Paint Horse Association Board

As a breeder of 'cow horse' paints, I am concerned with the Associations lack of support to members who pursue, compete, breed and train for cow horse events with Paint horses. Because you as the Association board, have shown little interest or support for the organisation of these events at our national show, the owners, trainers and breeders of cow horses (paints) have had to support the classes that other breed associations offer. This puts these Paints out in open all breed company where they have excelled and still you seem unaware of their existence and achievements.

The cow horse, cutting and team penning events at the 2009 and 2010 national shows created a lot of interest and much enjoyment. The free youth clinic put on in 2010 was to be offered every year for our paint youth riders to learn how to control cows with their horses and this would have allowed them the opportunity to link with the NCHA Youth Development Program in their own areas after the Nationals to continue learning.

The organization for cattle at the 2011 show was cancelled by the show organisers before it got into swing. No explanation other than an offhand statement of 'we don't have the entries for it'. (2009 and 2010 cow events were self funding and did make a profit ... Go figure!)

The sponsorships for those cancelled events is still in place for 2012. Are we going to have another round of excuses why we don't put on cow horse events for next year? Are our youth only ever going to know how to halter pleasure or trail their horses and little else.

The Association is being deprived of memberships, show entries, sponsorships and a broader interest in Paint Horse activities by the general public.

The training of a cow horse takes several years and can cost upwards of \$20,000. With a lot of money invested in our horses, the Paint Horse Association is depriving us of showing at a National level. Would you members who spend a lot of dollars importing halter horses like to be told by the show committee. Sorry we are cancelling all your halter classes next year!!! ... No doubt there would be an uproar.

The reason that the cowhorse events are initially light in entries is because of the time it takes to train one. If we know that these classes are going to be a regular thing and supported by sponsors then give us two years to prepare and we will be there.

We need this board to take the initiative to balance the members interests and provide the non halter breeders and members the opportunity to show our horses in our own breed ring!

I would like to submit the suggestion that the show committee for 2012 include the following classes:

1. An all breed two handed cutting with a special incentive prize given for the highest scoring Paint/ Paintbred.
2. An all breed team sorting (or team penning) with a Paint/Paintbred highest scoring incentive prize.
3. That the show committee allows time for the youth cattle handling/cutting clinic.

WYOMING STATION WORKHORSES

After 30+ years of owning & showing horses across a range of disciplines from Pony Club, Showing, Western Performance, Campdraft, Polocrosse etc, we, Matt & Vicki Franklin, made a decision to commence a small stud with the aim of breeding horses with good temperaments, functional conformation, trainable minds and good looks. We also wanted our horses to be useful and serviceable mounts for general station duties including long days mustering. On searching around for what stallions to choose we had always been interested in the bloodlines of Peppys Doc Bar IMP dec. PHAA 1250. Long time friend and Paint Horse advocate, Vicky Gough, had admired this grand stallion since his arrival in Australia back in the 70's and I had remembered judging some of his progeny during my time as a HSAA judge.

After a phone call to Jim Page who had owned Peppys Doc Bar for most of his breeding life we were very fortunate to be offered Matlock B7447 an own son of Peppys Doc Bar from Gay Bar Cutta (Cuttabar Colonel x Gay Bar Goldie). With Matlock we had all we were looking for in a foundation stallion. A pedigree saturated with close up world class cow horse bloodlines, a wonderful temperament with a very easy riding, willing atti-

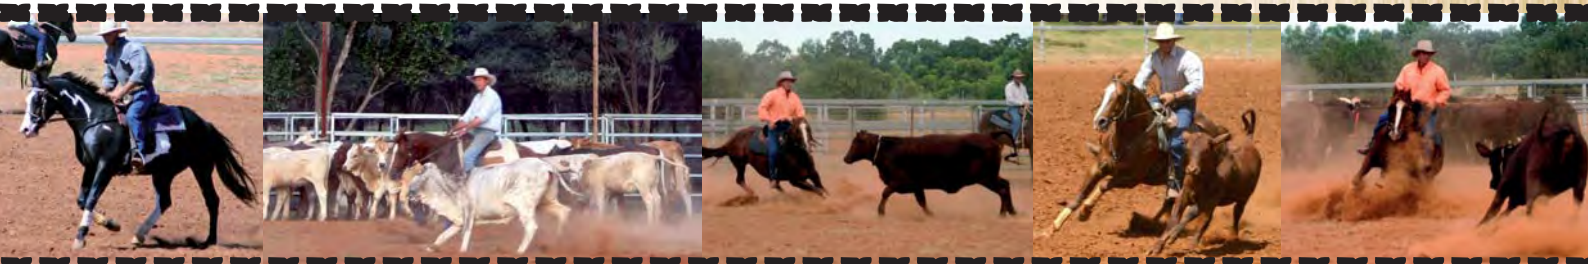

tude and does he like to stop. As far as cows go, not to many will get past him, he loves working them.

Matlock has been shown successfully in Campdrafts, Challenges and Working Stock Horse events. He consistently scores runs of 86-89 in Campdrafts and has won many best cut outs. We live in real 'stock horse' country where Matlock's opposition horses do earn their days living and Matlock's performances and temperament has certainly gained a reputation as a 'good little horse'. Matlock has also proven himself as a sire. Crossed mainly to Paint, Stock Horse and Thoroughbred mares he has produced multi champion winning show horses, capable Campdraft and challenge horses and importantly, very good workhorses. To date, when put to coloured Paint mares, he has produced 100% colour.

A noted result of these matings is our junior sire, Match My Class PHAA 9663. Known as 'Strike', this black/brown overo athlete with a trademark thunderstrike down his neck, is all you would expect from a blend of paint, quarter horse and thoroughbred lines. Standing 16 hands, he is a lovely fronted horse with beautiful head and large expressive eyes, exhibits elegance with substance, moves with bal-

anced even floating paces delivering a rocking chair ride, has a wonderful temperament and is very cow smart. His dam, a very elegant bay and white overo mare SS Ducos Classic Edition PHAA 8233 is by the multi champion performance horse and sire VP Watch My Duco PHAA 4443.

As a colt, Strike was shown successfully in the SE Qld region by Vicky Gough where he won many supreme Paint and Pinto awards, State Pinto Yearling Futurity, Best foal of show and was always placed highly in every 'all breed' futurities he entered. Strike has since been broken in and started his performance career. He has entered in 3 work horse challenges to date, placing overall 2nd and 3rd. At his only showing in team penning and 2 Handed Cutting so far he was part of the winning and second place teams and placed 4th in the 2 handed cutting. He has competed and won in working stock horse, station hacks, utility hacks, trail classes. In Strike we believe we have the ultimate performance horse whose temperament and trainable mind will allow him to be versatile enough to compete in any discipline from the showring to the campdraft arena. As you can see from my story, at Wyoming Station, our Paint Horses do as they were bred to do ... work cattle.

National Show Report

National Show dates are finally CONFIRMED. 2012 National Show will be -Bump in days 27/28th April 2012, Show dates 29th April - 5th May 2012 inclusive, bump out day 6th May 2012. This means the National Show will follow on from the Quarter Horse Championships. The AELEC complex at Tamworth is very popular & securing confirmed dates have been hard work due to the logistics of maintaining & presenting the complex to a standard, the push & shove of squeezing as many interested users as dates allow & the expenses of hiring the complex each day. The proposed program is in this Journal for your comment. The time taken for each class to be judged has been considered carefully using the 2010 show numbers. The 2011 show overall had smaller numbers in classes but I am hoping the later date & no natural disasters will increase the number of horses that can attend the 2012 show. Social events have been slotted in to enhance the fun & the cooler shorter days have also been considered. Hopefully when the final program is settled on I would like to keep the program consistent for the next few years so people will know they have classes to train for, this will also help with projected

budgets for the show. It would be great to have more classes to cater for everyone but unfortunately we have to think about how much it costs to put a class on & run the show each day, as well as include time to enjoy each other's company away from the show ring. The Show staff & judges need some time to rest so they aren't fragile & cranky as this also has an influence on whether you have a positive experience & come back the next year. I am now formally calling for a commitment from a number of people who would like to organise & run cattle events at the National Show. If we hire the whole grounds including the campdraft area we could have a number of classes including some open to other breeds. These people would need to be prepared to organise the cattle & helpers & suggest classes they feel would be well supported. If no one steps forward the cattle classes will not be included in the show. Stable refund. Anyone who has not received their stable cleaning deposit from this year's show is encouraged to contact the office & file a refund form. A more streamline system of deposit returns will be in place for 2012.

Farewell to a true Champion

C-Note's Ransom 1987 - 2011

On Friday the 13th May C-Note's Ransom was laid to rest, he was rising 24 years of age.

Ransom was bred and raised by Peter Howard of Cobbitty and was broken by legendary cutting trainer John Mitchell. He was purchased by Rod and Gail Shaw as a 2 year old and was started as a reining horse. As a 3 year old he won the NSW Reining Horse Association 1991 Futurity, Ridden by Rod they won both the Open and Non Pro sections of the event. During that year they won the Paint Horse Association Reining Futurity, National Champion Junior Horse Reining and the Reining Futurity at the Bathurst and District QH Association.

In 1992 he got caught in a fence and took over a year to recover.

In 1993 he became Gail's show horse and in their 1st year together they placed 3rd in the Rookie class at the NRHA National Show and in 1994 won National Champion Senior Reining at the Paint Horse National Show. Gail also showed him in Hunter Under Saddle and Trail classes. He was sold as a 7 year old to Tony Davis who showed him in Rookie and Beginner Reining classes with success. He lived out his days on their property moving cattle and Tony took him to occasional Cutting day. Sue and Tony owned him until his death.

Sue said: "We are very sad as he was a great horse and we loved him dearly"

Farewell my Friend HOLSTER TOUCH ME NOT

"To My Unsung Hero"
HOLSTER TOUCH ME NOT - PHAA 3571

07/10/1993 - 27/07/2011

From the moment we meet you we knew we had to have you. As fate would have it there you were a few months later in Horse Deals, without a moment's hesitation you were ours. One the happiest days of our lives. You filled a void in our hearts that I'm sure no one or nothing else could do. You gave us so much and ask for so little. My heart is broken into a thousand little pieces just trying to find the right words to say about you, words just don't do you justice my old friend. Anyone that had the honour of knowing you would understand the hurt we are feeling at this moment. We saved you once with a rush trip to Oakey Vets to remove an enterolith from your stomach (it was the size of a Paw Paw) with a successful operation on my birthday, it was the best present anyone could ask for. This time you didn't give us a chance, you gave us no warning or any signs of ill health, just that hardest few moments of my life just watching you helpless and not knowing what to do, the vet arrived a bit too late, he would have been no help. I'm sure. You touch so many lives in many different way's from letting disabled children sit on your back whilst having fits and just taking that all in your stride and then teaching young girls how to ride showing your true and gentle nature all the time.

You were that true one in a million stallion!

This year's foal crop will sure miss out on the father bonding you so truly loved, playing with your foals gave us all the feeling we had such a great stallion, although we knew that.

You made us happy, you gave us love, you gave us all so much, you will be missed my old friend.

God speed until we meet again.

We of Wakoda Paint Horses would like to take this opportunity to thank each and every one of you for your kind words, thoughts and prayers, it means a lot to us that Holster was loved and admired by you all.

He was in our eyes the perfect Paint Horse.

HENDRA VIRUS – THE FACTS

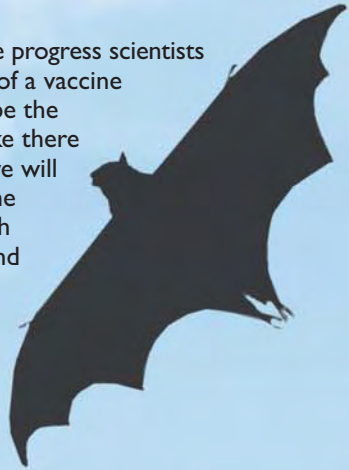

Hendra is back with a vengeance. The fact of the matter is that it has never gone away. The disease is here, is a fact of life, and the reality is that we all have to learn to live with it. Commonsense, understanding the disease, and some basic management steps will ensure that we can all still enjoy our equestrian activities with a minimum of risk.

Even better news is the remarkable progress scientists are making with the development of a vaccine which will, if universally taken up, be the answer to the problem. It looks like there is a very reasonable chance that we will have vaccine available next year. The current situation is calamitous with four separate outbreaks to date and the possibility of more to happen. The period May through September is regarded as the “peak period” for Hendra although it has happened throughout the year, but it appears that June, July and August have been predominant.

Of some real concern is the statement by the chief veterinary officer that sampling this year has reported a 30% incidence of virus in bat samples as compared to some 10% in other years.

Basically the disease is present in fruit bats without having any apparent clinical effect on them. It is known that the virus can be shed at particular times in the fluid secretions of the bat, with saliva and urine being potent sources. A relevant fact about fruit bats is that they ingest fruit and nectar, process it in their fore stomach, and then regurgitate it or “spit” it out in what are known as spats. This material has a high concentration of saliva and potentially, could be palatable to horses as in reality it is simply processed fruit material. One of the very pertinent findings reported by Dr Hume Fields, Our own leading Queensland world authority on fruit bats, is that they have been able to find very high concentrations of virus material directly under trees in what they call the “drip zone” and almost no virus once they leave the perimeter of the trees. This area is where the spats and urine of feeding bats will be dropped and potentially an extremely high risk area for horses. These findings are not yet published but I believe that they are critical information that horse owners need to understand as it provides solid proof that there is a very real “hot zone” of opportunity for horses to become infected. The obvious outcome is that management of horses must absolutely prevent horses from access to these areas.

For a horse to contract Hendra virus, they must have direct access to a source of the virus. They will not catch Hendra virus from “the wind”. Direct access to a source of the virus means either fruit bat fluids or another infected horse that is actually excreting virus. Humans then need to be exposed to fluids from a horse excreting the virus. (Nothing has ever been proven that a human could not contract the disease directly from exposure to bat fluids so always keep that in mind). A disturbing fact is that it is now known that a horse can actually secrete the virus for a short period of time before actually displaying any clinical abnormalities. (It is critical to remember that there is an incubation period of 5 – 16 days from when the horse is exposed to the virus and when it will develop signs of disease). An understanding of these simple facts regarding Hendra virus provide us with the keys to management that will allow us to eliminate, or certainly dramatically reduce, the risks from this disease.

THERE ARE 3 ELEMENTS TO THE CONTROL OF HENRA

Prevent contact between fruit bats and horses

Monitor your horse carefully

Maintain rigorous personal hygiene

12 STEPS TO “HENDRA PROOF” YOURSELF AND YOUR HORSE

(1) RISK ANALYSIS

Always assess the situation and circumstances surrounding yourself and your horse and make a judgement as to the possible risk of a problem

(2) MAINTAIN A “PERIMETER” AROUND YOUR PROPERTY

You go to all the trouble to protect yourself and your horse. Do not rely on your neighbour to do the same. Maintain a perimeter so that horses across the fence cannot contact each other

(3) “QUARANTINE” ANY NEW HORSES

A critical issue. Remember the incubation period where an infected horse can appear normal. Isolate any new horses that arrive at your property. Most important for spelling breeding and training farms

(4) IDENTIFY ALL PLANTS AND TREES

Know the identity of all plants and trees on your property and whether they are likely to be potential food sources for bats

(5) ELIMINATE FRUIT BAT FOOD SOURCES

If you cannot remove dangerous plants or trees, at least fence them off or prevent your horse having any access

(6) FEED & WATER HORSES IN OPEN SPACES or INDOORS

Do not feed or water horses near any possible site where bats may feed, roost, or perch

(7) STABLE HORSES or HOLD in “SAFE” YARDS at NIGHT

Bats are most active at night. Ideally do not allow horses outside where bats may be traversing or feeding

(8) TPR YOUR HORSE DAILY

So easy and such a basic monitor of your horse's health. Any deviation in the horse's temperature, heart rate, or respiration is something all owner's should know and is a primary indicator of the horse's health

(9) CLINICALLY ASSESS YOUR HORSE

Owners know their horse and intuitively will pick when the horse is not themselves. Investigate thoroughly any changes in signs, symptoms or behaviour (10) WASH YOUR HANDS The most important factor of all. Strict personal hygiene is the key component in avoiding infection

(11) WEAR DISPOSABLE GLOVES

Always have a box of disposable gloves on hand. Wear them if doing anything with a horse that involves contact with body fluids

(12) WEAR PPE IF IN ANY DOUBT

Do not, in any circumstances, approach or attempt to do anything potentially invasive with any suspect horse without adequate personal protection equipment. Leave it to the experts

Please feel free to call and discuss.

POINTS AUDIT REPORT

In response to the resolution passed at the 2010 PHAA Annual General Meeting a review was to be conducted on the 2009 – 2010 Honour Roll. The resolution reads – “The PHAA Annual High Point Awards and Honour Roll Awards for the show year 2009-2010 be suspended and withheld until such time as an audit has been conducted and any errors that are found have been corrected”. (Passed 79.5% majority) This led to the tasks & procedures undertaken as follows:

TASKS:

1. To review the results of the 2009 – 2010 Annual High Point Awards and Honour Roll
2. To ensure the accuracy of the 2010 – 2011 Honour Roll
3. To assist in the training of the PHAA staff in respect of input of information for future Honour Roll and High Point Awards.

PROCEDURE:

1. PHAA to advertise to members the result of the AGM resolution and call for members to notify PHAA of any suspected errors in the 2009 – 2010 Honour Roll
2. Locate errors
3. Correct errors
4. Conduct checks on any results that may show anomalies
5. Conduct random spot checks
6. Run Honour Rolls
7. Determine High Point Award winners
8. Issue outstanding awards
9. Report findings
10. Whilst waiting for replies
 - [a]. Sample check 2010 – 11 year
 - [b]. Work on input of 2010 – 11 year
 - [c]. Training of staff

To locate errors information was compiled from these sources.

- Check all approved show results
- Check all files that have received 5 points or more
- Check individual Official Show Results Forms
- Cross check to other competitors at same event
- Check anomalies – conduct spot checks
- Peruse database for irregularities
- Contact governing bodies of Dressage, Eventing, Show Jumping, Pony Club, Rodeo, Campdrafting, Cutting for clarification of events/divisions

GENERAL FINDINGS:

- It has now been proven that the level of errors was far greater than anticipated or reported in the previous report to the Board.
- Approximately 75% of all competitors (Horse/Youth/Amateur) required corrections. The majority of corrections were in the deletion or reduction of points.
- There was no common error that would lead to ease of finding others. Errors were varied and vast. The most common errors were – Points being given for -
 - Walk/Trot classes that were not Youth events, ie Walk/Trot Western Pleasure, etc.
 - Beginner classes/Newcomer classes
 - Green/Improver classes
 - Unregistered Horses or non-financial members exhibiting
 - Incorrect calculation of Champion, Reserve Champion & Supreme/Grand Champion
 - Incorrect calculation of State & National Show points
 - Entire shows being duplicated
 - Classes being omitted from approved show result recording
 - Entire Official Show Results Sheets not being recorded
 - Pinto classes
 - All Breeds halter classes
 - Ineligible classes, such as Smartest On Parade
 - Champion Hack or Rider Classes
 - Doubling up of points in Eventing/ Dressage competitions
 - Sporting & Novelty events being placed into Category 4 classes
 - And others

Actions to be taken as a result of the audit

POINTS:

- Delete all ineligible results
- Amend incorrect results

- Delete duplicated shows
- Input omitted shows
- Input omitted Show result forms
- Report to Points Portfolio Holder on any discrepancies found as per rule 219
- Check Hard files back to database results
- BOD to review rules
- Rule Changes to be advertised
- Database program to be altered for new/changed categories and amendments to awards.

AWARDS:

- Run Honour Roll
- Check Top 5 horses in each High Point Division
- Report to Points Portfolio Holder
- Announce Winners
- Run Awards Listing
- Check top 2 horses in each Honour Roll event
- Revoke awards (ROM etc.) issued in error
- Issue awards
- Amend award requirements

Whilst waiting for queries from members in respect of the 2009 – 2010 Honour Roll, we began a sample check on the 2010 – 2011 Honour Roll. It was found that there was a high percentage of errors in the points that had been input by the previous volunteer, so an audit was conducted on those points already input. This has now been completed.

As you can see a comprehensive & thorough review of the 2009 – 2010 & 2010 – 2011 Honour Roll has been extremely time consuming. The audit is nearing completion & the board will be considering areas in the Honour Roll rules that may need updating in the future. Thank you for your patience regarding this matter & thank you for the huge effort put in by those volunteering their time along with the office staff.

RULE REMINDER

Lip chains: The following horses may not be shown with any chain through the mouth including but not limited to lip chains:

a) Mares b) Geldings c) Weanling stallions

Stallions one (1) year of age and older may not be shown with any chain through the mouth with the sole exception that they may be shown with lip chains with unsecured keepers so long as at least two links of the chain remain outside of the halter before attachment of keeper or leather part of lead shank.

SMOKE N NATIVE SON "BLINGIN' IT" IN THE SHOW RING

Arriving in North Queensland two years ago, then having a break from competing due to unfortunate circumstances, Indy has returned to the show ring with his new young rider Mandy Darrach. Dressed in bling and keen to win Mandy and Indy hit the Western Pleasure scene. Mandy had never competed in Western Pleasure throughout her riding career, so nominating in a beginners class, Mandy and Indy did exceptionally well together for the start of their new show career, bringing home Champion Paint, four 1st's and one second. The next show was held at Charters Towers competing again in the beginner classes taking home Reserve Champion Paint, five 1st's and two 2nd's. By the third show held at Woodstock, Mandy and Indy needed to step up to open classes. Mandy had to ride one handed which was a whole new experience but this didn't deter the dedicated young rider from having a go against an experienced Open Class rider. Proving that this horse and rider make a top team, coming home with winnings of Champion Paint, Champion Western Horse Registry, one first, two seconds and one third. There is no stopping them now. Always looking forward to the next comp.

Recently the Snowy Mountains Western Riders Association held it's Annual High Point Awards. The following is a little storey about this year's winner.

Snow had began to fall over the mountains,
Wine and beer flowed like a fountain.
The show season was over, the hard work all done,
The SMWRA was ready for some fun.

It was time to recognize the High Point winners,
And the Paint owners came out grinners.
Paints shone large, they did really well,
Nyleve Nevada Cooley put the judges under his spell.

He won Overall High Point Halter Horse,
Always completing a precise showmanship course.
As well as good looks he performed under saddle,
He was like an ocean liner, you didn't need to paddle.

With Gail aboard and taking control,
This pair will never hit a trail pole.
This year beginner, Amateurs lookout
These two are ready to sprout.

With a big new buckle around her waist,
More success Gail can taste.
When next years show season comes around
This pair may be National bound.

Best of luck in the shows next year,
And keep spreading the Paint cheer!

VICTORIAN PAINT HORSE ASSOCIATION MULTI JUDGE SHOW

On June 12th the Victorian Paint Horse Association held their Multi Judge Show kindly sponsored by Andrew & Shelly DaSilva of Western Trails, with judges Marrienne Hamilton, Deb Allen and Grant Hinton at Tonimbuk Equestrian Centre, with all the lovely buckles and High Point Awards that were on offer our show was really well supported by all the Western Breeds. It was great to see our Improvers out and about and in the running for their

own High Point Award, and the Paints were there in force, the chance to be judged by three different judges being too good an opportunity to miss! Many thanks go to the committee and helpers who made what was a big show a very friendly place to be where everyone enjoyed themselves immensely.

Queensland State Show Report

This year Queensland Paint Week was highly anticipated. Publicity commenced some months prior promoting many major sponsors including Omega Feeds and Morayfield Hogs Breath Café, naming rights sponsors of the QLD Paint Horse Championships and the Paint-o-Rama respectively. With many thanks to these sponsors and many others over \$50 000 worth of cash and prizes were on offer for competitors.

Despite some concern over the Hendra Virus, competitors in near record breaking numbers travelled from far and wide to attend the show. Over 120 high quality horses allowed for healthy class numbers and great competition. Carly Veldman, USA judge certainly had her work cut out for her. Although young in years Carly brought with her a world of knowledge and experience rising from Youth to Amateur Owner to professional riding ranks. She set the friendly atmosphere of the show greeting competitors with a smile and judging consistently and fairly. Many stated they enjoyed her judging immensely.

As always the winning and grinning was well balanced by the Qld Paint week social events. The camp cook-off was a fantastic success with many taste bud tantalizing homemade dishes on offer. Helen and Stacey Bentley took out the honours this year with their Passionfruit Cheesecake. Saturday night also proved popular with over 100 people gathering for dinner, drinks from Graeme's notorious bar, the multi draw raffle, music and dancing. It was no surprise there were a few sore heads the next morning.

Many thanks to the sponsors of Qld Paint Week, Lyn Hoffmann [announcer] the show committee and other helpers who's hard work made a great week of fun and competition possible. Why don't you join us for 2012. We promise [fingers crossed] good weather, friendly competition, fun for the kids and great times!

Megan Savill

Western Horse Calendar 2012

On sale September 2011

A stunning A3 Calendar with stallions at stud, horse related businesses and much more.

The Calendar also has show dates to remember, a worming schedule and a colour calculator, business cards for trainers, studs etc.

A large day to day area in which to write all those important notes.

Purchase from the website online or in your local saddlery.

If your saddlery is not stocking the Calendar contact me and I will do my best to have it there the following week.

2007 16hh Chestnut Overo Stallion

A great debut in the show pen in 2011.
Just some of his achievements...

2011 Summer Sizzler 3yo HUS Champion
2011 AHS 3yo HUS Showcase Reserve Champion
2011 NSWQH 3yo WP Feature Top 10
2011 NPHA 3yo Trail Res. Champion
2011 NPHA 3yo WP, 3yo HUS Top 5
2011 Energex Celebration High Point 3yo
2011 NSW & Qld State Champion 3yo WP
plus multiple other Champion &
Reserve Champion titles.

*And he's only just getting warmed up! Watch
for another stellar year in the show pen in 2012.*

RATCHETTS IMPRESSED

(IMP USA)

Coming out of retirement when arriving in Australia to gain his PHAA Champion Award as well as National Champion and National Show High Point APHA Horse along the way, he has now proven that he is a great sire.

Already siring National Grand Champions in Halter and National Champions in Performance, National Show High Point Award and PHAA Year End High Point Winners. But best of all - great looking babies that make great ridden horses - good minds and good bodies.

Ratchets Impressed (Imp USA) the only APHA & PHAA Champion that also holds APHA Superior All-Around Award and APHA Performance Versatility Award.

SERVICE FEE
