President's Report

Hello once again,

I would like to take this opportunity to thank the past PHAA Board of Directors and office staff for the results achieved in the 2011 Financial Year, with an operating profit of around \$63,000. Major factors that contributed to this result increase in membership income of \$29,000 from the previous year, which tells me that people are enthusiastic about being involved with the PHAA again. We have also had an increase in approved shows and the purchase of PHAA Official Points Score Books, which indicates members are showing their horses more than the previous year. There was also some cost saving efficiencies implemented and of course as any business would normally do, there will be focus on efficient quality customer service for the future.

The Paint Horse Association of Australia is an Association formed for the betterment of our Paint Horse and our members, the expected management of the Association is the responsibility of volunteer Directors and the employed office staff. I would like you to consider where you, the member, can make a difference for our Association. There is unlimited opportunity to help a fellow member. It doesn't have to be something big, it can be as little as just saying hello how are you going. Through our attitude we can sometimes make a difference to another member and not even know it. There is no one that I know that does not want to have a good time when we meet with our horses.

The PHAA have just conducted the 2012 National Show at the Australian Equine and Livestock Exhibition Centre Tamworth NSW and the show attracted approximately 200 horses. Thank you to all that contributed to the running of the show, as it ran very well, with plenty of time allocated for competitors to enjoy their showing experience, as well as fundraising events that were well supported. Thank you to the sponsors that supported the event, – through your assistance and commitment it made a great deal of difference to our competitors. We look forward to supporting the PHAA National Show Sponsors where possible in the future and making it a worthwhile venture for you to be involved.

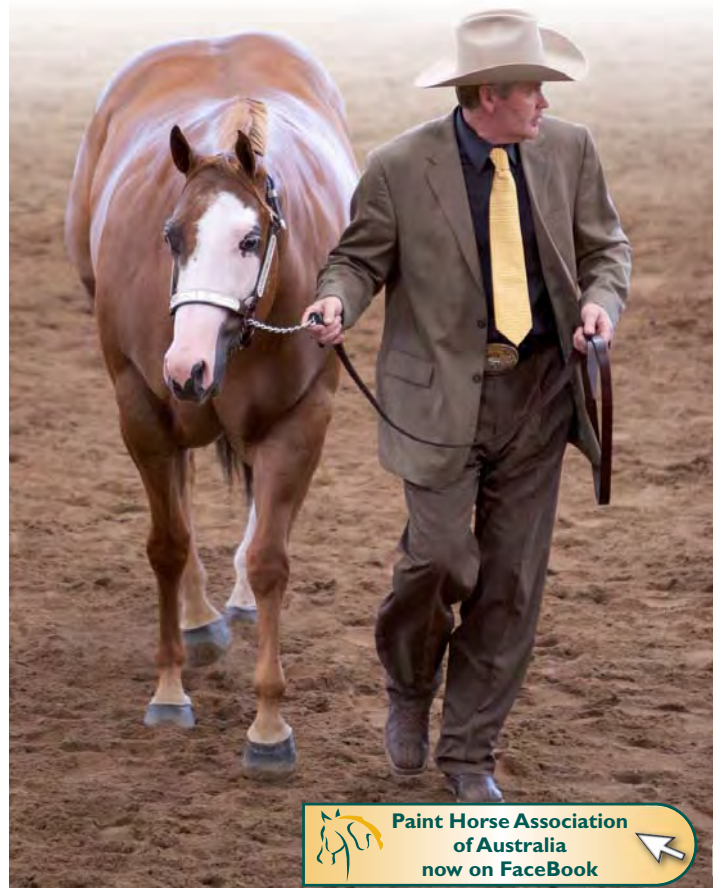

On occasion I have read some posts on the PHAA Facebook expressing concerns about the cost to the competitor to attend the PHAA National Show. For members information the PHAA has always tried to provide an opportunity, to all members of different

backgrounds, a National Show that people can afford to attend. There are minimum requirements that are needed to conduct a Horse Show of this size and really only two facilities that are central to the PHAA Membership, Sydney International Equestrian Complex and AELEC. With the current pricing structure AELEC is still slightly cheaper than SIEC. At the end of the day the PHAA need to pay costs to cover the event and these costs are met by the income received from the members participating at the show and this is why the PHAA has to charge what it does to run the National Show.

I welcome Lisa Day to the PHAA Board of Directors. Lisa was nominated from the floor and voted in by the members at the 2012 Annual General Meeting to fill a vacancy for the Vic, Tas, SA and WA area. I look forward to working with Lisa and the other current BOD Members. Looking towards the next twelve months there is more work to be done to maintain the Association and put structure in place for the future growth and sustainability of our Association.

Yours Sincerely

Craig Denegate
PHAA President

Immediate and proposed Rule Changes

Proposed Rule Changes

Comment is invited from members on the following proposed rule changes. All comments and feedback received will be considered by the Board prior to ratifying, amending or rejecting all proposed rule changes. This will occur at the last meeting prior to the 1st August, 2012. If ratified by the Board, these rule changes will become effective from 1st August, 2012.

Rule 11 to be amended to replace the words "It will be mandatory" with "It is strongly recommended".

Add to Rule 11 the following

(a) The PHAA may conduct random drug tests at PHAA approved shows.

Rule changes proposed at BOD meeting October, 2011.

Amend Rule 237 Amateur Activity Program

Rule 237 paragraph one. Delete:

"All horses shown in amateur classes must be registered with PHAA in order to obtain association points and awards effective 29.08.04. The horse or horses used by an amateur participant must be owned or leased and registered wholly or in part by the participant and their name must appear on the horses registration certificate."

and replace with the following wording:

"... in order to receive association points and awards. The horse or horses exhibited by an Amateur in Amateur Owner (including Novice and Masters) or Open classes, must be owned or leased by the contestant or by contestant's spouse, parents, de-facto partner, child of the family, grandparents, brother(s) or sister(s). Horses owned by anyone other than listed above, do not fulfil the ownership requirements under the PHAA Amateur rule."

That is, new paragraph one to read:

"Only current financial members are eligible for PHAA amateur status. All exhibitors in amateur classes are required to hold a PHAA amateur card. All horses shown in amateur classes must be registered with the PHAA in order to obtain association points and awards. The horse or horses exhibited by an Amateur in Amateur Owner (including Novice & Masters) or Open classes, must be owned or leased by the contestant or by contestant's spouse, parents, de-facto partner, child of the family, grandparents, brother(s) or sister(s). Horses owned by anyone other than listed above, do not fulfil the ownership requirements under the PHAA Amateur rule. The minimum lease period for any horse, for any amateur competitor will be 12 months. Two: Remuneration restrictions (add note to last sentence) Please note this includes their period competing as a youth member where applicable."

Replace Amateur Qualification Rule 2. (iii) with the following:

"237 -

2 iii) Prize money is not considered remuneration. Payment of entry fees and expenses, by any person other than the person's spouse, parents, de-facto partner, child of the family, grandparents, brother(s), sister (s) shall be considered remuneration."

Add to end of 237 (f)

"However Amateur Owners in the same family may individually accumulate points on the same horse, provided points are individually tabulated on a one horse/one rider combination. No horse is to be shown by more than one contestant in any one class.

Add to end of Rule 237

237 "(j) Sponsorship may be received by Amateur Owners, providing only goods are received and not monetary payments. Amateurs may be required to submit details of sponsorship to the PHAA upon request, and must be provided within

10 business days.

(k) Any member ceasing to be a professional with the aim of applying to become an Amateur Owner, must notify the PHAA in writing of the date of ceasing professional activities as soon as practical, in order to qualify for Amateur status."

Further amendment proposed 7th feb 2012 BOD Meeting

(l) In Amateur Owner Halter competition, when an Amateur exhibitor has qualified more than one horse for Champion and Reserve Champion, only another Amateur may assist that exhibitor as long as the Amateur who originally qualified the horses, leads one (1) of the horses in that class.

(explanation: This now allows both qualifying horses owned by one Amateur to show for Champion and Reserve Champion)

Explanation: These amendments to Rule 237 are being proposed on behalf of the Queensland AO members as a result of a unanimous motion from that meeting. There are several different 'models' for changes to PHAA AO rules being proposed (refer Sept 2011 PHJ). They are being proposed to remove anomalies in our current rules and more closely align them with the rules of other associations. All AO's are invited to provide feedback on these proposed changes.

Rule 103 Colour Requirements Paint Horse Reference Lines

i) Amend Reference Line 2 to read. A level line around the leg at the centre of the knee [the centre of the knee is determined by using the bony protrusion on the back of the knee as the starting point and drawing a level line horizontally around the knee]

Explanation: Currently the reference line of the knee is at the top of the knee joint. This Rule change is to revert back to the original reference line at the centre of the knee used by the Association for nearly 30 years prior to the current reference line 2. More horses will qualify for registration & the reference line 2 would then mirror the reference line of the knee used by the APHA. At the moment a horse can be eligible for Regular registration with the APHA & be only eligible for the Paint Bred Registry with the PHAA.

Amend Rule 115 Listing Of AQHA & Australian Stud Book Registered Horses:

(a) Stallions registered with the ASB & AQHA, must be listed with the PHAA prior to breeding. Stallions registered with the AmQHA or other Association recognised by the AmQHA are required to be listed with the PHAA prior to the registration of their foals.

From 1st August 2012 a penalty fee of \$50 will be imposed on QH & ASB stallions not listed with the PHAA prior to breeding. Explanation: The PHAA require all Quarter Horse and Australian Stud Book Registered Horse to be listed. Over the past years the PHAA have received registration applications for horses Sired by Quarter Horses and Australian Stud Book Registered Horses that have not been listed with the PHAA. To assist with the efficient administration of Registration Applications (having the appropriate information for the Sire on file) The Stallion Owners who do not do the right thing will incur a penalty fee. This penalty fee would compensate the PHAA Office for time and effort needed to obtain the information required.

Immediate rule change Rule 112 add

(f) When a registered AQHA or ASB stallion is eligible for dual registration with the PHAA it need not be upgraded for breeding purposes with the PHAA but must be listed with the Association prior to breeding.

Explanation: A listed QH or ASB stallion satisfies the bloodline requirement for its resulting progeny to be eligible for registration [provided the Dam meets the bloodline requirement]. It is therefore not necessary for the stallion if it is dual Registered QH, ASB to use its Paint Horse registration to register its Paint Horse progeny.

MIDNIGHT COWBOY

Highest placed Paint at Showcase in the Open Weanling Futurity. Tony and I were thrilled with winning the belt buckle and also pleased with the way "Cowboy" handled his first show. We haven't shown a horse in five years, but when we bred this beautiful black and white colt by "Ford Shameless Cowboy" we knew we had something special with a temperament to match. We have huge plans for this boy in the future and see a successful show career ahead of him. Proudly owned by Christina Ponsford and Tony Wright.

Amateur Report

Hi to everyone

The big news for Amateurs is the Trans Tasman Challenge, with New Zealand, is now on for 2013! I had a meeting with Jason Melling PHANZ at the National Show and plans are now well under way. A team of four Amateurs have been invited to compete at the New Zealand National Show held in March 2013. Date and venue are yet to be confirmed. Selection criteria will be set at the June Board Meeting and Amateurs will be notified via the website so keep a close check.

The National Show is now over and we are into the final stages of the 2012 competition year. The Amateur Classes at this year's National Show were very well supported and I believe the split classes for Junior and Senior Amateur have been a success. The Masters Amateur Classes were very small, however I did expect this to be the case for the very first year, given Masters Amateur was only announced to the membership in October 2011. Highest placed Amateur was given a \$100 bonus for each of the ridden futurities, so bear this in mind when considering your nominations for next year. Lisa Day was awarded Hi Point Amateur of the National Show. Congratulations Lisa!

The current Amateur List stands at 383. The number seems to be steadily increasing so this is a great sign for the future of the Amateur programs. Fifty four Masters Amateurs have signed up since October.

The Novice Amateur Program has been very lightly supported and I believe in its current form it is not benefitting Amateurs enough for the extra fee. I would suggest that the Novice Amateur Program cease as of August 2012, however this needs to go to a Board Meeting for the final decision to be made.

An Amateur Meeting was held at the National Show on May 1st at 4pm with 12 attendees. Amateur Portfolio funding was discussed and a motion was moved to have 10% of the Amateur Fee transferred to the Amateur Account annually. There were some queries about fundraising for the trip to NZ, ownership clarification and the ability to hold another horse in Hunter in Hand classes. A vote was taken to delete the Novice Programme in its current form. All attending the meeting were in favour. A motion was also put to have an annual Hi Point Overall Amateur that included Halter and Performance. All issues raised will be put to the June Board Meeting. Voting of positions was deferred until the next meeting to be held at the Queensland State Show in July as there were insufficient States represented at the meeting. Minutes from the Amateur Meeting will be available on the website.

Fundraising has been progressing. A clinic was run in March with Travis Humphries from TNT Training generously discounting his fee to enable funds to be raised for Amateurs while still keeping the clinic very affordable. 660 dollars were raised as a result, so a very big Thank You must go to TNT Training! Another clinic is planned for September 15th at Caboolture Showgrounds with both Travis and Natasha Humphries of TNT Training. This will be run in conjunction with the South East Queensland Paint Horse Club so book early to avoid disappointment. Trainers have already been approached for the 2013 clinics to be held in Queensland next year and again I encourage affiliate clubs to do the same. 150 dollars are available annually to each affiliate club who run clinics or camps for Amateurs attending to assist in some small way towards costs. These funds come straight out of the amateur funding.

Shirley Sommer

A Fashion Parade and Auction was held at the National Show and 975 dollars were raised to boost Amateur funds. Thanks to our models Brooke Duddy, Stacey Bentley, Rhianna and Maddie Foster, Lisa Sylvester, Emlyn Broad, Simone Robinson, Maddison Lane, Nicole Lindeberg, Samatha Johnston and our NZ Team member Kurt. Our announcer Jan Biddle, who did an awesome job. Denise Duddy, Lorelie Payne, Karen Gorrie, Corina Foster, Helen Bentley for dressing and organising our models. To Melissa Carmichael of Pleasure Girl Western Wear for co-ordinating the whole parade. Together the team worked wonders. And finally to Ralph Dunn for Auctioning the items after a long tiring day announcing. If I have forgotten anybody I apologise. I appreciate all of you. Last but not least to the people who donated goods for auction. Pleasure Girl Western Wear (Melissa Carmichael), Horseman's Trading Post (Paul and Lisa Lorimer), Designs by Pelipa (Corina Foster), DHR Designs (Amanda Sproules), Maisy & Me Show Clothing (Deb Cusson). A great night was had by all!

Please check the website for information on changes to the Amateur Rule as of August 1st, 2012. Final decision on these changes will be made at the June Board Meeting. I wish every one of you the joy of spending time with your Paints and look forward to growing and improving the Amateur Program for your enjoyment!

Yours in Paints
Shirley Sommer

The prestigious Weanling futurity winner taking home a cheque for close to \$2,300.

Amateur Spotlight – Rowena Wilcox

Congratulations to Rowena and WESTERN BY DEMAND for winning Champion Hack at the 2012 Paint Horse Nationals.

1. Where do you live?

The Oaks NSW

2. Who is your current Paint Horse?

WESTERN BY DEMAND ...Aka Flossy!

3. How long have you been riding Paint Horses?

I've been riding horses for over 30 years. I brought Flossy in 2006, so been riding Paint Horses for six years.

4. Who was your first Paint Horse and when?

I've only owned one Paint Horse, Flossy and brought her as a two year old in 2006.

5. What is your favourite event and why?

Traditional English Classes. Mainly because I grew up doing traditional English and I understand it and they are my best events! Saying that I do appreciate all horse disciplines.

6. Boots, Heels or Thongs?

Definitely boots.

7. What couldn't you do without?

I definitely need all my crazy, weird and beautiful animals, my happy friends, and a mobile with facebook access!!!

8. What is a typical day for you?

A week day is like groundhog day. Up at 5am, take the dogs for a walk, take Flossy out for an hour, then off to work – do a fair days work – come home and tend to my menagerie of all creatures great and small. Weekends are usually "anything that goes".

9. Who inspires you within the horse industry?

Does the Dalai Lama own a horse?

I don't really have any following of a particular person, I prefer to get something useful from a range of different people, different ideas, different views. Steve Brady did give me my first words of encouragement with Flossy. Paralympians are very inspirational.

10. Name your most memorable achievement.

Winning the President Shield in 1982 for Cobbitty Pony Club was pretty special!

But I think the most memorable was definitely the NSW State Paint Championships 2009. I had lost my Thoroughbred "Rumba" two days before leaving for Tamworth, after battling for two months trying to save him. I wasn't really in a showing mood and Flossy really wasn't prepared, but I left for Tamworth hoping a few days away would cheer me up. Flossy didn't put a foot wrong and I swear old "Rumba" was looking over her that day. She was State Champion in every Hack class and was Open Hack Challenge winner, then went on to win Grand Champion Hack and I loved the "Flossy cheer squad" in the stands. Not the greatest achievement, but one I'll never forget.

Youth Report

At this year's AGM, I had the honour of becoming a Director and am now working with Craig Dengate on the Youth Portfolio. As many of you saw at the Nationals, I am super excited about this appointment and look forward to working with and for you guys. I hope everyone enjoyed the Nationals and made it home safely. It was so much fun catching up with interstate and international friends. Congratulations to all those who competed in the Teams Challenge. You were all very entertaining and showed fantastic sportsmanship.

Some highlights of the show included seeing gorgeous Brooke own the catwalk, Ruby finally struck gold in the Bareback, Emelyn jumped Tige, an amazing production team smashed out some much improved pancakes and we found out that Hannah sings like an angel. Tienielle loves Henry even more and the auction was very successful.

Our Youth Meeting saw some discussions around the possibility of running shows and camps. The focus, as always, was to look for ways to raise money for the Youth Account, but this year

there was an overwhelming amount of support for providing opportunities for our youth to improve and excel in the arena. Many trainers have been approached already in an attempt to get "Weekend with a Trainer" up and running as soon as possible. If you have a trainer you admire and would love to learn from, please email me at lday50@live.com.au and we will approach them on your behalf. Also, if you are a member of a local club and you think they would assist us in the running of training days, camps and shows, please email me the contact details.

Looking forward to an exciting year. Good luck at the QLD State Show to all those competing. It will be great to see you guys make even better pancakes. It's going to be EPIC lol.

Lisa Day

IMPORTANT NOTICES REGARDING PSSM IN PAINT HORSES:

Effective immediately, all imported horses or imported semen must be tested for PSSM I and any horses which test positive (n/p1 or p1/p1) will not be accepted into the PHAA studbook. As from 1st August, 2012, it will be a requirement that all PHAA registered and listed AQHA and ASB stallions have their PSSM status on file with the PHAA prior to the stallion upgrade or listing being accepted. All mares and currently upgraded stallions will be required to have their PSSM status on file with the PHAA as from 1st August, 2013. Breeding rights will be suspended after this date until the information is provided. Genetic test results will be accepted from accredited laboratories in Australia or the USA. Statutory declarations regarding hair collection may be required. Rules 112, 113 and 115 are to be amended accordingly. New Rule 111 (h) to be formulated regarding PSSM1 testing. Youth President's Report

Stacey Bentley

Hey Everyone, hope you all had a great Nationals. I definitely had fun (especially in the Youth Trans Tasman Challenge) which QLD won. WOO!!

I am now Youth President and keen to get ideas happening this year. Working with the new lovely Youth Director and fellow Queenslander, Lisa Day, will surely boost the momentum. We have some great plans and hopefully they will be ratified within the near future.

I have already created a "Paint Horse Youth" Facebook Group. It's an open group so add yourselves if you haven't already. Also add your other horsey friends even if they aren't members but would like to be part of our fun Paint family. It will be a place to share your favourite horsey photos, ask any questions about riding exercises, suggest any fundraising ideas and show improvements, and also maybe advertise/find your next or first, youth horse.

The paid warm up Trail was a success even though most youth were busy showing. It is definitely something to continue on to next year and we can only improve it from here. The Youth Auction raised some great funds as well, which will greatly help the 2012 Paint Youth Trip (good luck girls), and the pancakes were pretty tasty. Speaking of pancakes, I will be nagging a close contact in the baking business to donate the pancake mix for the 2012 State Show pancake night, and also hopefully next Nationals.

Overall the past ideas/events were pretty good, and the future can only be better. One of the new ideas is to get Youth Judging happening at the upcoming Nationals. So look out for it in the next program and have a go for a bit of fun.

Lisa and I will be discussing plenty more plans soon, so stay tuned to the Paint Horse Youth Facebook Group for more frequent updates, and we would love to hear your ideas and feedback.

Till next time and keep riding

ANNUAL STALLION PARADE

On February 18 2012 the Annual Stallion Parade was hosted by the Tasmanian Arabs Society at the AGFEST site, Quercus Park, Carrick. Over 5000 spectators turned up to see the big boys strut their stuff. Paints were represented by 2yo DMB Conquistador, 3yo Yoakham Lodge Painted Hero and well known Superior all Round Paint horse, Garth Brooks. Vicki Hume hosted a PHAA information table and explained the history and beginnings of the paint horse. Our arena time came where Vicki spoke of the virtues and versatility of the paint horse while Garth displayed some of his spins and moves in reining.

TRANS-TASMAN YOUTH TEAMS CHALLENGE

One of the highlights of the 2012 PHAA National Show was the Trans-Tasman Youth Teams Challenge. Three teams competed including a visiting team from New Zealand "Team Kiwi", the "Queensland Queens" and the "New South Wales Blues". Events included in the challenge were Showmanship, English Equitation, Trial, Horsemanship, Youth Decathlon, a Teams Relay and Youth Teams ride. The competition seesawed from event to event, but at the end the Queensland Queens, Stacey Bentley, Emlyn Broad, Jaydene Urosevic and Hannah Longergan came out in front.

The Teams Relay event consisted of various challenges set in a course to be completed in a minimum time. The Youth tested their skills at the Rope a Cone, Loaded Wheelbarrow Trail, Stick Horse Barrel Race, Catch a Bucket of Water, Thong (Jandals in New Zealand) Throwing and Giant Horse Shoe Throw. The Teams Relay Event was especially good fun providing an exciting event and a real crowd pleaser. Every one of the Youth that competed

in the Trans-Tasman Youth Teams Challenge was a winner. The team spirit and camaraderie between the Youth was great to see.

We look forward to continuing this event in the future and the PHAA wish to thank the New Zealand Team, Annalyse Blyde, Ellen Osborne, Lindsey Osborne, Claire Smith and Kurt Melling and their supporters for travelling across the Tasman and taking the challenge to the Aussies. We especially thank the behind the scenes people that contributed to the event and whatever was needed they made it happen. Lee Wear, David Egan and Michele Bruce were a great help.

Major Sponsors of the event were Adam and Jenny Dennis of Rocky Top Paint Horse Stud. Their sponsorship enabled us to purchase a perpetual trophy for the event and they look forward to supporting the Youth of New Zealand and Australia in the future.

The Lungeline Prospect

From Conception to Showring

Breeding and showing the successful lungeliner is a combination of genes, natural ability, training, showmanship and a little luck.

Article: Glenn Geisler Photos: Francene Neuendorf; Ace Photography

As Dominion Equine, Belinda and I started in Western pleasure horses in 2001, with the purchase of "Loocille" (sire Loots Image) and "Circle K Peppered Love" by "Burnin Love". After successfully campaigning these mares, we embarked on a breeding program using the best pleasure lines Australia and Amercia had to offer. We currently boast homebred mares by QH stallions "Vested Pine" (USA), "One Hot Krymsun" (USA), "HF Somethin Hot" (imp), "Cee a Barpasser" (imp), "Good Prophecy" (imp) and "Ten" and by Paint sires "Zippos Sensation" (USA) and "The Big Sensation" (USA). In 2009 we imported a 3yr QH mare by "Zippos Mr Good Bar" to further strengthen our band. Our home bred and well performed stallion "You Bet Im Krymsun" by "One Hot Krymsun" (USA) will start his stud duties this year and we have high hopes for his babies out of our OLWNeg and QH mares.

We believe the criteria for breeding a lungeline prospect is the same as your western pleasure, pattern, trail class prospect. Genetics are a very big factor. Quality Western pleasure horse lines have several

generations of selection for flat knee, sweeping hock, deep drive, level top line, quiet disposition and trainability. The conformation of the modern Western pleasure horses sloped shoulder, strong angle to the stifle, strong back, desirable neck set, long levers all make the job of western pleasure easier. The aim of our breeding program is to increase the ability of the progeny/prospect to perform, by breeding to the best sire we can.

Since I started showing lungeliners in 2004, nine yearlings have won three NSWPHA State Titles and four PHAA National Titles. In 2007 "Radically HotnBlazing" 2005 PHAA filly won the Australian Halter Showcase Lungeline. In 2011, "Totally Sensational" 2009 PHAA filly by "Zippos Sensation" won the NSWQH State Show at her first outing and won the NPHA Lungeline Futurity the next week. Another gelding we bred "I Like That" by "HF Somethin Hot", owned by Claire Geri and shown by Raelene Gilboy, won the 2011 AHS and the NSWPHA Lungeline Futurities and Reserve at NPHA. This year "Kadel Krymsun" AQHA

gelding won the lungeline events at the Summer Sizzler in Tatura and the Australian Halter Showcase, with ten lessons prior to going to the Sizzler.

For me a top lunge line prospect must move pretty. To win at open national level shows like AHS and NPHA, if you cannot show your prospect in a calm cadenced walk, tight punchy jog and controlled flat lope with drive, you should not expect to get to the top of the line. The class is judged with points awarded equally for movement, conformation, attitude and use of circle, and conformation. Movement is dictated by conformation, breeding and training. Training to improve the true natural gait is not really possible. Training can improve balance, slow gaits, keep them off the forehand, increase drive, shorten stride and level top line. Incorrect training can easily increase knee, throw weight on forehand, cause imbalance, drag hock out behind and basically make a prospect look pretty miserable.

I believe lungeline should be a small part of preparing the yearling to be started

under saddle. Weeks of circles leaves many yearlings dulled, unbalanced other than on a circle and heavy on the forehand, decreasing quality of foreleg straightness and swing and usually trailing hock with hollow back and poor self carriage. I like to quickly progress through basic handling, lunging a few days, teaching walk, jog, lope, and importantly stop on voice within the first week. From there I start driving in a surcingle then saddle, changing directions and gaits calmly with plenty of whoa time. Always drive in a safe fenced area but use poles, cones, bridges etc to keep driving interesting and varied. Keeping sessions

short to 15-20 minutes is plenty. Lots of time tied to a pole or tree builds patience. By not concentrating on walk, trot, canter circles, the yearling learn to carry themselves and if they are built to Western Pleasure a polished lungeline can be ready for the big shows in about 20 sessions.

In the few days before the first show I might do a few sessions in the show halter and line to get used to the feel of the rope and whip and enforce a stricter circle. Get used to your show line. Many a class has been wrecked by a knotted line, tangled in whip and handler. Show day I

like to have two or three five minute sessions prior to the class to check where they are at mentally. If all is calm it's a good sign, if a little fresh a few minutes of walk, lope, stop, jog, lope, stop drills gets them concentrating – then roll the dice. Lungeline can be very humbling at times. All the preparation in the world and they can decide to stop and poo, pigroot, grab the lead in their mouth etc out on the end of that lead. However a pretty moving, calm minded yearling doing a cute class is a very good way to train and pick your pleasure horse of the future.

SOUTH EAST QUEENSLAND PAINT HORSE CLUB BEGINNER CLINIC

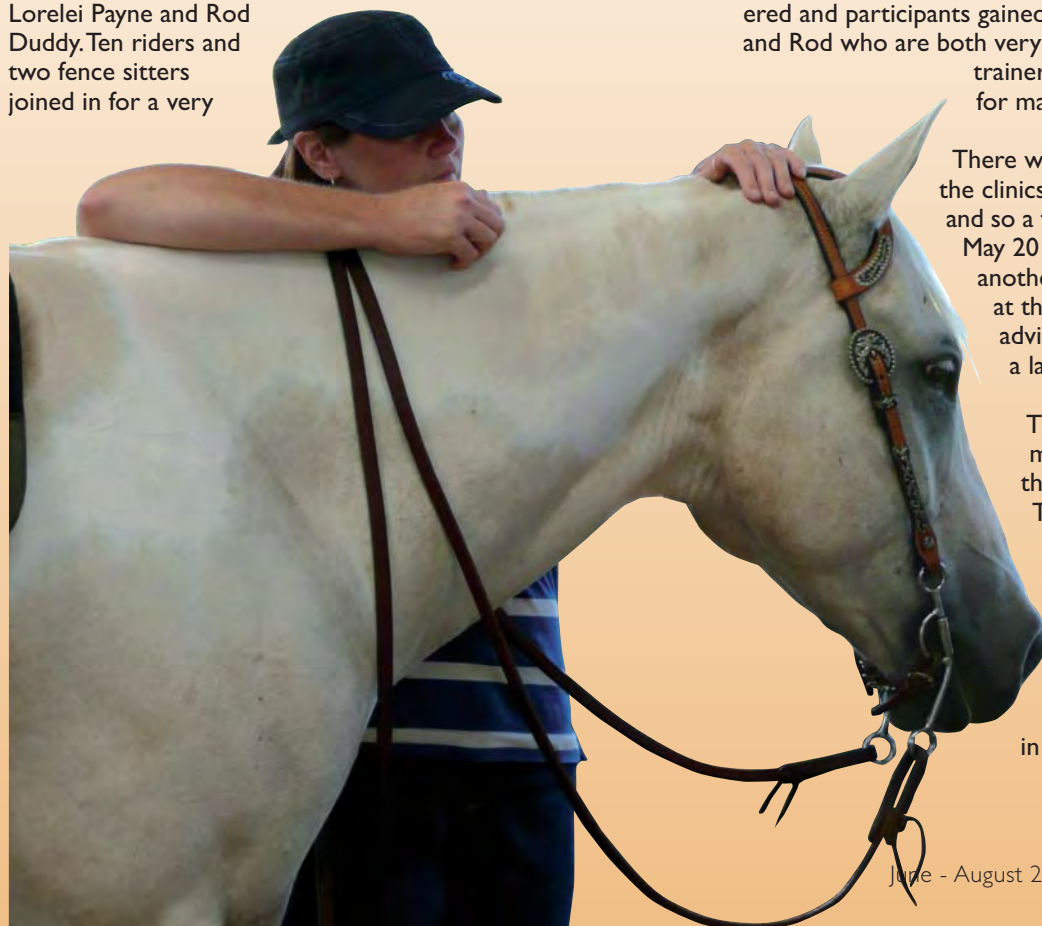

The first Clinic for the year run by the SEQPHC was held at Caboolture Showground Indoor Arena on 10th March, 2012. Trainers for the day were Lorelei Payne and Rod Duddy. Ten riders and two fence sitters joined in for a very

informative and fun day. The clinic started at 9am and finished around 1.30pm giving time to prepare for the show the following day. Various areas of horsemanship and presentation were covered and participants gained valuable knowledge from Lorelei and Rod who are both very accomplished competitors and trainers. A big thank you to both of them for making the clinic a great morning.

There was a request for the club to continue the clinics to help new and existing members and so a further clinic is planned for the 19th May 2012 at Caboolture Showground and another is pencilled in for September 15 at the same venue. Everyone will be advised as to who the trainers are at a later time.

These clinics are a great chance to meet people, ask questions and learn the finer points of showing horses. They are helpful for those wishing to show or just improve their horsemanship. Members and non members are welcome. Club members are entitled to a discounted fee.

Please contact Shirley Sommer or Helen Bentley if you are interested in attending.

Showgirl Paints Up

– 2012 GRESFORD SHOW –

Article: Rachel Graham Photos: AGILE; Karalinga

Dynamic duo Karalinga Dunupinplatinum and Samantha Johnston are at it again, raising awareness of Paint Horses out and about – this time during the 2012 Gresford Show Grand Parade.

Samantha first hit the Paint Horse scene in 2003, when she purchased GP Bandits Final Edition (Chiquita) as a Pony Club horse, then decided to try her hand in the world of western showing. Chiquita was already a well performed Pony Club horse, having qualified for State Titles in sporting with her previous owner. As a team Samantha and Chiquita competed extensively at Pony Club and local shows, going from dressage one week to campdrafting the next, then later adding some Western shows to the mix. In 2007, as a longstanding member of Paterson River Pony Club, they took out Zone 25 Pony Club 15-17 yrs Sporting Champion, 3rd in Dressage and 5th in Campdrafting. Samantha was 2006 PHAA High Point Youth of NSW, and in the Top Ten Youth for two years.

At their first National Show in 2007, they came home with National Championships in Youth Barrel Racing, Youth Keyhole and Open Preliminary Dressage, plus Reserve National Champion in Youth Hunter Hack. It was during this time that she met Sonya Kinkade, owner of Karalinga Dunupinplatinum (Deena). This chance meeting in the wash bays at Samantha's first National Show led to a great friendship that has seen Sonya help Samantha with her journey to the 2008 Paint Horse World Championships as part of the Australian Youth Team. Sonya kindly offered her stal-

lion Sioux City Bandit to Samantha for Reining lessons with Steve Howe before she left for the States. This friendship grew further when Samantha returned from America and didn't have a horse to compete on at the Nationals. Sonya offered her Deena (QT Dunupdouble x Karalinga Kaleena) and the duo began from there. Samantha and Deena have had many successful shows together, having received a National Title in Snr Youth Trail and a State Title in Snr Youth Reining. Deena has also been successfully campaigned by Sonya and together they were awarded 2010 Reserve National Champion Amateur Owner Hunter Under Saddle. Deena is now teaching Samantha's mother, Racheal Graham, the art of western riding until Sonya and Heath Atkinson's new arrival Kaedence Mae Allannah Atkinson is ready to take the reins.

This year Samantha was named the 2012 Showgirl at the 80th Annual Gresford Show. The showgirl competition is run in conjunction with The Land Newspaper and Sydney Royal Easter Show. This year marks the 50th anniversary of the Showgirl competition. The contestants are judged on personality, confidence, ambition and life goals, general knowledge, rural knowledge, presentation and speech. Finalists are also asked to demonstrate knowledge of their local community and current affairs and apart from their poten-

tial ambassadorial qualities, contestants are also judged on their involvement in and experience of rural affairs.

As part of the judging at the Gresford Show the girls must complete an interview with a panel of three judges who ask questions based on an information sheet that is filled in by the contestant. They will also ask questions to assess how well the girls understand what is happening in the world around them. On completion of the interview the entrants attended the 2012 Gresford Show Art Show opening night where they were judged on their ability to mix with a crowd. During the night they were also interviewed by the MC and judged on their public speaking ability.

Samantha is now beginning preparations for the Zone Finals, which will be held in February. If successful there she will go on to compete at the 2013 Sydney Royal Easter Show.

Samantha plans to continue showing Paint Horses with two up and coming prospects, SV KissNTell (Dressed in Western x Little G Scarlet) owned by Stephen and Pam Simpson of Spring Valley and her own yearling gelding who is out of her Paint mare, GP Bandits Final Edition by Garth Brooks. Keep your eye out for these horse and rider combinations – you never know where they might pop up.

HIGH POINT 2 YEAR OLD OF AUSTRALIA 2010/11

KPM RACKETEER Aka Wally

We purchased Wally from Jeff and Lee Ann Hall at the Queensland State Show as a weanling. I had been involved with helping the South East Queensland Paint Horse Club at their shows and had wanted a coloured Paint Horse for some time. The club has been so friendly to me I wanted to show and have some fun. I successfully showed him as a Yearling at Halter and had him broken in at the end of 2010 as a 2 year old. Leanne Bartlett trained and showed him in 2011 to win the High Point 2 Year Old at the Burpengary Western Performance Club Western Classic, High Point 2 Year Old at the Gunnedah Western Performance Club Buckle Series, High Point Overall Performance Horse & High Point 2 Year Old Performance horse with the Gatton QH & Performance Club.

With limited showing during his life he has achieved PHAA Champion no 233, five Register of Merits, one Distinction Award and 2008/9 Honour Roll Gelding. I am now riding him myself and enjoying him a great deal. I don't profess to be a great rider and I may not win anything but it's a lot of fun being out there having a go. Thanks to Leanne Bartlett for training him, thanks to my wonderful Mum for all her support and encouragement also thanks to Wally for being a 'nice' horse.

TASMANIAN PAINT HORSE STATE CHAMPIONSHIPS

**31 March and 1 April 2012, Violet Banks
Judge: Ms Lorelei Payne**

There was a total of 27 entries which is almost double from last year. It was pleasing to look out over a sea of paint for our 4th State Championships since our Foundation in 2007. The day commenced at 10:30 am with the English program and our first Futurity the Open Hunter in Hand. Sunday saw our Halter and Western events.

The "Tom Shoobridge Cleveland Pastoral Estate"-Tasmanian Campdraft and Team Penning State Finals were held on 21 April, 2012

"Shotgun Wardrum" owned and trained by Veronica Mulder, ridden by Stuart Hirst being presented with Champion Open Prizes by Queensland ACA judge Tom Gleeson. Tom is from QLD where he also breeds Paints.

There were 24 competitors with the top six to run off, with scores being compiled. Stuart completed two full rounds for a total of 166 – highest score for the whole day – the only competitor to do so.

Shotgun Wardrum also was placed 3rd in the mens event against a total of 13 riders. He was also 5th in the ladies event ridden by Veronica against 24 riders. To receive a placing the top six horses on the day were eligible for a second round runoff, with their scores combined.

"Shotgun Wardrum" has competed at Campdrafting for the past six years and has received a placing at the final in each of these years.

"Oaks Diva", a Paint Bred filly placed 6th in the men's events also.

Thanks go to Tom Shoobridge and Cleveland Pastoral Estate for their sponsorship of these Titles.

BUYING A PHAA REGISTERED HORSE:

When you buy a registered horse you will want to transfer the registration into your name. To do this you will need to have the original registration papers and a transfer form signed by the Registered Owner of the horse. You should check if the seller is the registered owner and if not, make sure the transfer is signed by the correct person. You can check this by sighting the registration papers, asking the PHAA office or by going to our free online studbook.

So the requirements to complete ownership/registration transfer are:

1. Original registrations papers. You will need to obtain these from the seller and send them to the PHAA office. New ones will be issued in your name.
2. A transfer form signed by the Registered Owner as seller and you as purchaser. This must include the date of sale. The transfer form is located on the reverse side of the registration papers or is also available as a separate form. The transfer fee is \$50 per horse.
3. You the new owner, must be a current financial member of the PHAA to transfer the horse into your name. Currently single annual membership is \$155. If you are a new member, the transfer of your first horse is free.

MERCHANDISE AVAILABLE:

Show your support for the PHAA, purchase our stickers (large - \$10, small - \$5).

LYDIA HANTKE

PHAA Amateur Owner & Member 7284

For those people who recognised me when you turned on your TV, and for those people who did not ...

During my time on the 2012 series of The

first place was my passion for Paint Horses, and wanting to ride and be competitive on a bigger scale, something I was just struggling to do as a morbidly obese woman. I certainly have left the series living my life more fully, and well on the way to becoming that better version of myself I had always hoped to be. I also managed to win the Eliminated Contestants Prize, pocketing \$20,000. I cannot thank the whole Biggest Loser team enough for the change in my life, and my passion for Paint Horses has only grown stronger and will continue. I also thank the whole PHAA Team for their support in my journey and look forward to seeing you all at the shows in 2012!

Thank you. Lydia.

VICTORIAN PAINT HORSE STATE CHAMPIONSHIPS

Judge: David Young Photos: Justin Taylor

The Victorian Paint Horse Association managed the running of "The Victorian State Show" for 2012. This is the second State Show that the current committee has supported and organised. Fundraising was difficult this year, but they did not let that stop them from grinding away until they had met their goals. The event was held over the Easter break at Tonimbuk Equestrian Centre and run over two days. Many competitors travelled from all over Victoria and a handful of interstate competitors made the journey south to compete at this prestigious event. International judge David Young from New Zealand travelled here to judge and did a fabulous job. Everyone entered classes in the hope that they might obtain a State Title

for their effort. Age had no barriers for Angela Williams and her trusted mount "Dells Royal Impact", who is 26 years young and showed some of the younger horses how it's done. "Futurity Classes" were well supported in the program, with winners receiving stunning Montana Silversmith Buckles and we were lucky enough to have gorgeous garlands that were supplied by JC Designs Show Garlands. We were blessed in having our favourite announcer Don Cossa accompanied by his lovely partner Sue Carra, our show secretary, who was invaluable to the success and running of the show. Congratulations to all those competitors who competed at the event and all sponsors who were kind enough to support the club.

Maddison Lane with the Hi Point Youth buckle that was supplied by the PHHA and the Hi Point AO buckle which was won by Laurel-Lee Wear. The Victorian Paint Horse Club would like to thank the PHAA for supplying such beautiful buckles for those classes.
